## **DVAR TORAH BY RABBI METZGER**

[cmetzger@torontotorah.com](mailto:cmetzger@torontotorah.com)

**Why do the Nesiim, princes, get a 12-day holiday for simply bringing some wagons and oxen? Why is each of their korbanot listed with such exacting and identical detail?**

The Nesiim come forward with their suggestion of using wagons to aid the Leviim's transport materials for the Mishkan on the "day that Moshe finished putting up the Mishkan." (Bamidbar 7:1) Rashi explains that this is Rosh Chodesh Nissan of the second year. This is the very same Rosh Chodesh Nissan where Aharon's sons Nadav and Avihu died by fire from G-d for offering an Eish Zarah, foreign fire, turning the inauguration of the Mishkan into a day of fear and apprehension. When the Nesiim step up and ask G-d if they can voluntarily make a donation towards the collective betterment of the Mishkan, they are showing that there is still a place for individual contributions in the Mishkan. G-d isn't angry at the Jewish people and denying their efforts in constructing the Mishkan, rather G-d accepts the Nesiim's offering and declares a holiday in their honour. Thus, paving the way for the Jewish people to respectfully relate to the Mishkan and ask before making changes, a notion worthy of celebration.

## BAYT COVID-19 PROTOCOLS

*BAYT's COVID-19 Protocols incorporate Health Canada and Province of Ontario guidelines by reference.*

### Signing Up for a Minyan at BAYT

Members wishing to attend a minyan at BAYT should sign up in advance via SignUp Genius. Minyanim are open to members only. Please only sign up people from your household. When you sign up to attend a minyan at BAYT, you expressly agree to strictly follow BAYT's COVID-19 protocols without exception. Other shuls' protocols are not relevant to your decision to attend a minyan at BAYT. Please cancel your sign up and do not attend minyan if you are unable to attend for whatever reason.

### While Attending a Minyan at BAYT

- Wear a face covering such as a non-medical mask (see below).
- Do not congregate with others during or after davening. Come to BAYT to daven and please leave quietly. The serving of any food or beverages (e.g., Kiddush Clubs) is not allowed at this time.
- Do not crowd when leaving BAYT. Please leave the building single file and socially distanced 2 metres apart. Once outside BAYT, please walk away from the doors so others can leave quickly and safely.
- Avoid touching doors and door handles. Doors through which you need to pass are open. Please do not touch the doors, as you may cause them to close. If a door is closed, please let the facilities staff know.
- Sit in designated seating. In the main shul, sit only in seats marked with green tape on back of the seat. Please do not sit alone in a group of green taped seats. Do not move chairs around in other minyanim.

### When Not To Sign Up for or Attend a Minyan at BAYT

1. You or a "close contact" are awaiting a COVID test result;
2. you were in "close contact" with someone who tested positive for, or who has any symptoms of COVID-19;
3. you were in "close contact" with anyone in self-isolation (even if asymptomatic) including anyone in your household. This includes children in self-isolation due to a COVID-19 case in school or a carpool;
4. you have been outside of Canada within the past 14 days;
5. you were around others (e.g., workplace, other minyan or gathering) and did not practice proper social distancing and/or masking, even once, within the past 14 days; or
6. you feel unwell or have any acute illness, even if you or your doctor do not believe you have COVID-19.

### "Close Contacts" Include

1. Someone with whom you have been within 2 metres for more than 10 minutes;
2. Someone who lives in your household or provides care to you;
3. Someone with whom you have had close physical contact including a handshake; or
4. Someone who accidentally coughed, sneezed or spit on you while talking with you.

If you or a "close contact" have any common symptoms of COVID-19, please get a COVID test, STAY HOME, self-isolate and advise "close contacts" with whom you were in close physical contact with in the prior 48 hours to monitor their health and to self isolate. Do not sign up for a minyan.

### Face Coverings (Such as Non-Medical Masks)

The Province of Ontario Emergency Order requires the use of "a face covering (non-medical mask, such as a cloth mask) in public indoor spaces and whenever physical distancing is a challenge." with limited exception. Upon entry into and while inside BAYT everyone should wear a face covering such as a non-medical mask, including the ba'al tefillah (who leads prayers) and ba'al korei (who laysns from the sefer Torah).

Health Canada advises that a "non-medical mask or face covering" should:

- fit securely to the head with ties or ear loops;
- maintain its shape after washing and drying;
- be made of at least two layers of tightly woven material (such as cotton or linen); and
- be large enough to cover the nose and mouth completely and comfortably without gaping.

# ANNOUNCEMENTS

Any type of plastic face shield or mouth/nose covering by itself does not replace a face covering or mask because it does not completely cover the nose, mouth and chin with a barrier that prevents spread of respiratory droplets. If you choose to wear either a plastic face shield or mouth/nose covering, you also need to wear a mask made of at least two layers of tightly woven material large enough to completely cover your nose and mouth without gaping.

The sole purpose of BAYT's COVID-19 Protocols is to keep our members and guests as safe as possible while at BAYT. Accordingly, BAYT cannot permit exceptions to our COVID-19 Protocols including our masking requirements.

## **Family and Guests Returning to or Entering Canada (even if partially or fully vaccinated)**

Travellers returning to Canada must quarantine for 14 days whether arriving by air or road, whether they have been vaccinated, had a COVID infection or a negative COVID test result. Canada Border Services Agency (CBSA) advises all travellers upon entry to Canada that they must completely isolate during their 14-day quarantine period from anybody else in their household. If complete isolation is not possible, they are advised that other household members must also quarantine for the entire 14 days.

If you have anyone in your household returning to or entering Canada from abroad who are or will be in mandatory 14-day self-isolation, please do not sign up for or attend a minyan at BAYT unless they are completely isolated from the rest of your household for the entirety of the 14 days quarantine period. This applies even if he/she has been vaccinated, had a COVID infection or a negative COVID test.

## **Common Symptoms of COVID-19 Per the Ontario Ministry of Health**

- fever (feeling hot to the touch, a temperature of 37.8 degrees Celsius or higher) or chills
- cough that's new or worsening (continuous, more than usual)
- barking cough, making a whistling noise when breathing (croup)
- shortness of breath (out of breath, unable to breathe deeply)
- sore throat, difficulty swallowing
- runny, stuffy, or congested nose (not related to seasonal allergies or other known causes or conditions)
- lost sense of taste or smell
- pink eye (conjunctivitis)
- headache that is unusual or long lasting
- digestive issues (nausea/vomiting, diarrhea, stomach pain)
- muscle aches
- extreme tiredness that is unusual (fatigue, lack of energy)
- falling down often
- for young children and infants: sluggishness or lack of appetite.

If you really have to think about it, you should stay home.

## **Report Illness and Positive COVID Test Results to BAYT Immediately**

If you attended a minyan at BAYT, please let us know immediately if you receive a positive COVID-19 test result or if you have symptoms of COVID-19 and are awaiting a test result. BAYT will notify York Public Health of positive COVID cases brought to our attention. Two or more positive COVID test results among attendees of one minyan at BAYT can result in declaration of a legal "outbreak" by York Region Health mandating ALL persons who were in attendance self-isolate for 14 days, even those who practiced proper social distancing and masking.

## PRESIDENT'S MESSAGE

It's Thursday evening as I write this. Word is breaking of a ceasefire with Hamas. The Province just announced its planned phase in re-opening. And UJA provided us with a community security update earlier this evening. Here goes...

So many of you offered our son best wishes. Zac's unit remains deployed to Tapuach Junction. He reports (and claims credit) that his sector has been quiet for a few days already. He still wants that cold beer, which will have to wait until they finally stand down. Zac has spent much of his army service in the Shomron. He describes it, and many of its yeshuvim, as breathtakingly beautiful. Maybe he will follow Sammy Newman's footsteps and matriculate at Ariel University.

Our younger son starts yeshiva in Israel in August. For both of our boys and many others, perhaps events this week in Israel and Canada serve to remind us the future of the Jewish people is in Medinat Israel. As Rabbi Korobkin always says, "Last one here, turn off the lights."

### Province of Ontario Reopening Plans

Religious services, whether indoors or outside, are currently limited to 10 persons.

**Under Phase 1, slated to begin the week of June 13, BAYT can hold outdoor religious services with capacity limited to permit 2 metres physical distancing (roughly 70-80 persons in the Chuppah Garden tent). Indoor capacity for religious services will remain at 10.** BAYT will be able to host outdoor gatherings of up to 10 people with outdoor dining limited to 4 per table. No other indoor gatherings will be permitted.

After 21 days in Phase 1, assuming 70% of adult Ontarians are vaccinated with one dose and 20% with two doses and public health trends are positive, Ontario will move into Phase 2. **Under Phase 2, BAYT can hold indoor religious services with capacity limited to 15%. Capacity for outdoor religious services will remain limited to permit 2 metres physical distancing.** BAYT will be able to host outdoor gatherings of up to 25 people, indoor gatherings of up to 5 people. Outdoor dining will be limited to 6 per table.

After 21 days in Phase 2, assuming 70-80% of adult Ontarians are vaccinated with one dose and 25% with two doses and public health trends are positive, Ontario will move into Phase 3. **Under Phase 3, BAYT can hold indoor and outdoor religious services with capacity limited to permit 2 metres physical distancing. Capacity limits for outdoor and indoor gatherings and dining have not been determined.**

Of course, all of this is subject to change.

### Community Security

Rabbi Korobkin, Alan Jaff and yours truly fielded dozens of your concerned calls and messages Erev Yom Tov. BAYT remains in regular contact with UJA Community Security and York Regional Police. Additional York Regional Police patrols will continue. UJA Community Security through its contractor Northern Guard Security, will continue their patrols in Jewish communities.

Each of us has an important role in community security. If you see something, say something. **In an emergency (e.g., imminent threat of harm to life or property), call 911.** If other than an imminent threat, call York Regional Police's non-emergency line at 1-866-876-5423. After contacting police, please call UJA's 24/7 Hotline at 416.635.5600 or digital portal, <https://jewishtoronto.com/community-incident-report>.

**When you call police or UJA, provide as much information as possible (e.g., time of day, street address of incident, nature of incident or threat with specificity, clothing, make, model and color of vehicle including license plate).**

After making a report, do NOT broadcast the incident on social media. Doing so unnecessarily raises fear in our community and can only hinder police response. This evening many of you received an email from UJA. In part the email (emphasis added) states:

**"UJA Community Security is continuing to conduct patrols in Jewish areas, share information with our network of 100+ Jewish institutions, and coordinate closely with police to ensure our security needs are met. In addition to the disturbing rise in antisemitic incidents in the past week, UJA Community Security notes that we have seen significant rumours spreading in our community about our security situation. Upon investigation, a number of these rumours have proven to be unsubstantiated. It is more important than ever that community members exercise caution when sharing information online, bearing in mind posting on social media doesn't substitute for reporting incidents to police and UJA Community Security."**

Shabbat Shalom.

## WEEKLY HALACHAH

R' Mordechai Torczyner – [torczyner@torontotorah.com](mailto:torczyner@torontotorah.com)

### **May I eat or drink before musaf on Shabbat morning?**

Once one has davened shacharit on Shabbat morning, the obligation to recite kiddush begins. At this point one may recite kiddush and eat small quantities before davening musaf. Sitting down to a full meal is prohibited, even with kiddush, until after musaf.

According to some halachic authorities, one who is feeling very weak, and is unable to find an appropriate beverage on which to recite kiddush, may drink water or eat a snack after shacharit even without kiddush. [However, this should not be done in a shul sanctuary, if at all possible.]

(Shulchan Aruch Orach Chaim 151:1, 286:3, 289:1; Taz Orach Chaim 286:2; Mishneh Berurah 286:9; Biur Halachah 151 v'ei, Shaar haTziyyun 286:9; Aruch haShulchan Orach Chaim 286:13-14, 289:4)

### KELIM MIKVAH UPDATE:

DUE TO THE LOCKDOWN, THE KELIM MIKVAH WILL BE CLOSED UNTIL FURTHER NOTICE.

### NEW REGISTRATION SYSTEM TO MINYANIM

Only BAYT members and affiliates may register for minyanim. Room capacities have been severely limited during lockdown. We are capped at 10 persons only per room.

The link remains the same: <https://www.bayt.ca/new-sign-up-link.html>

Our minyanim are open to members only who are Bar or Bat Mitzvah age and older

Please follow the instructions at the top of the SignUp Genius page.

Most importantly: if you are feeling unwell for any reason, please do NOT come, even if this means that there won't be a minyan. Everyone's safety is more important than making the minyan.

Please Remember:

- All siddurim and seforim in the Bais Medrash are currently not available to be used or removed from shelves.
- As soon as the minyan has ended please exit the building as soon as possible to enable others in and the staff to clean

## BROTHERHOOD MESSAGE

Last Sunday, the BAYT Brotherhood celebrated the 25th anniversary of our annual Siyum HaTanach. This year, we honored the memory of our beloved founder of the Siyum, Rabbi Yehoshua Arye ben Yoel Zisman Rosenberg z"l. We were honoured to have Rabbi Aaron Eisenberg lead our siyum this year and we look forward to Rabbi Eisenberg leading our siyum for many years to come.

A huge thank you to our Rav and Jeffrey Brown for their continued support of the Brotherhood. Also, I must thank Rosy Rosenzweig, Moishe Posner, Chuck English and Mitch Silverstein for their support to make this event an amazing success! Yishar Koach!

I would like to thank the almost 200 hundred sponsors for this amazing event. Your names will be listed in the next week's bulletin and we are grateful that you have sponsored our siyum and speaks volumes of our love for Rabbi Rosenberg and the Siyum haTanach.

Finally, I would like to thank the 109 participants who committed to learn Torah so we could complete all of Tanach and more on Shavuot. This program is exactly what the BAYT stands for and as President of Brotherhood, it is always my proudest moment of the year.

This year, we chose to give out Rabbi Jonathan Sacks' Judaism's Life-Changing Ideas: A Weekly Reading of the Jewish Bible. Sponsors and participants are to receive a copy of the book, one per family. **If you have not picked it up yet, please come on Sunday, May 23 from 11AM to 1PM.**

May your learning and sponsoring of the Siyum haTanach bring security to our brothers and sisters in Israel and may we be together next SHAVUOT TOGETHER IN OUR BEAUTIFUL HOME, THE BAYT, IN PERSON.

CRAIG GUTTMANN

## D'VAR TORAH FOR PARSHAS NASSO

Whenever a person is about to sin, the last thought that usually goes through their mind is "I know I am about to do something wrong but it is ok because.....".

The Torah uses the words "Ki Tisteh". When a man thinks a woman becomes "insane". This is because when committing a sin we know the act is wrong but we say to ourselves it is still ok to do. This kind of sounds like something weird because why would we do it if we know it is wrong.

How come a person can not just say this is wrong and I want to do it anyway and not make a reason why it is ok?

We are created in 2 parts.

- 1) animal instincts- based on desires and instincts
- 2) human- intellect and rationale

Because we put these 2 parts of us into each decision we make, we can not easily sin. We have to learn to take the human side of us and make sure we make all the right decisions and do only mitzvah.
