The Merits of Miriam

Tosefta Sotah (11:1) explains that when Miriam HaNeviah passes away Be'er Miriam, the Well of Miriam, runs dry. But why did Bnei Yisrael merit to have it in the first place in her honor?

Miriam does two acts of merit by the water. First, when she is but a young girl, she makes sure to watch over Moshe when he is in the Nile until he reaches the hands of Pharaoh's daughter. Not only that, she follows through and brings her mother to be Moshe's wet-nurse. The next act we see is when she leads all of the women of Bnei Yisrael in song and playing of cymbals and tambourines after the Splitting of the Sea. Miriam is such an important and beloved leader that when G-d strikes her with Tzaraat, leprosy, the nation decides to wait for her (Bamidbar 12:15-16). By performing righteous deeds by the water and being so entwined in the lives of Bnei Yisrael, it is only natural that the daily necessity of water should miraculously flow in her merit.

ANNOUNCEMENTS

BAYT COVID-19 PROTOCOLS

BAYT's COVID-19 Protocols incorporate Health Canada and Province of Ontario guidelines by reference.

Signing Up for a Minyan at BAYT

Members wishing to attend an **indoor** minyan at BAYT need to sign up in advance via SignUp Genius. Minyanim are open to members only. Please only sign up people from your household. When you sign up to attend a minyan at BAYT, you expressly agree to strictly follow BAYT's COVID-19 protocols without exception. Other shuls' protocols are not relevant to your decision to attend a minyan at BAYT. Please cancel your sign up and do not attend minyan if you are unable to attend for whatever reason.

Members wishing to attend an **outdoor** minyan at BAYT are asked to sign up in advance via SignUp Genius in order to ensure others of a minyan.

While Attending a Minyan at BAYT

- Inside the BAYT, wear a face covering such as a non-medical mask (see below).
- Outside the BAYT, face coverings are highly recommended but not mandatory.
- Inside or out, maintain social distancing. Please do not congregate with others during or after davening. The serving of any food or beverages (e.g., Kiddush Clubs) is not allowed at this time.
- Do not crowd when leaving the building. Please leave single file and socially distanced 2 metres apart. Once outside BAYT, please walk away from the doors so others can leave quickly and safely.
- Avoid touching doors and door handles. Doors through which you need to pass are open. Please do not touch the doors, as you may cause them to close. If a door is closed, please let the facilities staff know.
- Sit in designated seating. In the main shul, sit only in seats marked with green tape on back of the seat. Please do not sit alone in a group of green taped seats. Do not move chairs around in other minyanim.

When Not To Sign Up for or Attend a Minyan at BAYT

1. You or a "close contact" are awaiting a COVID test result;
2. you were in "close contact" with someone who tested positive for, or has any symptoms of COVID-19;
3. you were in "close contact" with anyone in self-isolation (even if asymptomatic) including anyone in your household. This includes children in self-isolation due to a COVID-19 case in school or a carpool;
4. you have been outside of Canada within the past 14 days;
5. you were around others (e.g., workplace, other minyan or gathering) and did not practice proper social distancing and/or masking, even once, within the past 14 days; or
6. you feel unwell or have any acute illness, even if you or your doctor do not believe you have COVID-19.

"Close Contacts" Include

1. Someone with whom you have been within 2 metres for more than 10 minutes;
2. Someone who lives in your household or provides care to you;
3. Someone with whom you have had close physical contact including a handshake; or
4. Someone who accidentally coughed, sneezed or spit on you while talking with you.

If you or a "close contact" have any common symptoms of COVID-19, please get a COVID test, STAY HOME, self-isolate and advise "close contacts" with whom you were in close physical contact with in the prior 48 hours to monitor their health and to self isolate. Do not sign up for or attend a minyan.

Face Coverings (Such as Non-Medical Masks)

The Province of Ontario Emergency Order requires the use of "a face covering (non-medical mask, such as a cloth mask) in public indoor spaces and whenever physical distancing is a challenge." with limited exception. Upon entry into and while inside BAYT everyone must wear a face covering such as a non-medical mask, including the ba'al tefillah (who leads prayers) and ba'al korei (who lays from the sefer Torah). Remember others may not have had a first or second vaccine.

Health Canada advises that a "non-medical mask or face covering" should:

- fit securely to the head with ties or ear loops;
- maintain its shape after washing and drying;

ANNOUNCEMENTS

- be made of at least two layers of tightly woven material (such as cotton or linen); and
- be large enough to cover the nose and mouth completely and comfortably without gaping.

Any type of plastic face shield or mouth/nose covering by itself does not replace a face covering or mask because it does not completely cover the nose, mouth and chin with a barrier that prevents spread of respiratory droplets. If you choose to wear either a plastic face shield or mouth/nose covering, you also need to wear a mask made of at least two layers of tightly woven material large enough to completely cover your nose and mouth without gaping.

The sole purpose of BAYT's COVID-19 Protocols is to keep our members and guests as safe as possible while at BAYT. At this time, BAYT cannot permit exceptions to our COVID-19 Protocols including our masking requirements, even for those fully vaccinated.

Family and Guests Returning to or Entering Canada (even if partially or fully vaccinated)

Travellers returning to Canada still must quarantine for 14 days whether arriving by air or road, whether they have been vaccinated, had a COVID infection or a negative COVID test result. Canada Border Services Agency (CBSA) advises all travellers upon entry to Canada that they must completely isolate during their 14-day quarantine period from anybody else in their household. If complete isolation is not possible, they are advised that other household members must also quarantine for the entire 14 days.

If you have anyone in your household returning to or entering Canada from abroad who are or will be in mandatory 14-day self-isolation, please do not sign up for or attend a minyan at BAYT unless they are completely isolated from the rest of your household for the entirety of the 14 days quarantine period. This applies even if he/she has been vaccinated, had a COVID infection or a negative COVID test.

Common Symptoms of COVID-19 Per the Ontario Ministry of Health

- fever (feeling hot to the touch, a temperature of 37.8 degrees Celsius or higher) or chills
- cough that's new or worsening (continuous, more than usual)
- barking cough, making a whistling noise when breathing (croup)
- shortness of breath (out of breath, unable to breathe deeply)
- sore throat, difficulty swallowing
- runny, stuffy, or congested nose (not related to seasonal allergies or other known causes or conditions)
- lost sense of taste or smell
- pink eye (conjunctivitis)
- headache that is unusual or long lasting
- digestive issues (nausea/vomiting, diarrhea, stomach pain)
- muscle aches
- extreme tiredness that is unusual (fatigue, lack of energy)
- falling down often
- for young children and infants: sluggishness or lack of appetite.

Report Illness and Positive COVID Test Results to BAYT Immediately

If you attended a minyan at BAYT, please let us know immediately if you receive a positive COVID-19 test result or if you have symptoms of COVID-19 and are awaiting a test result. BAYT will notify York Public Health of positive COVID cases brought to our attention. Two or more positive COVID test results among attendees of one minyan at BAYT can result in declaration of a legal "outbreak" by York Region Health mandating ALL persons who were in attendance self-isolate for 14 days, even those who practiced proper social distancing and masking.

PRESIDENT'S MESSAGE

A bit of a potpourri this week

The various divrei Torah on Korach last week reminded some of us in leadership roles how not to act. Yet, no matter how hard a leader tries, inevitably some will view him or her as a Korach of the day.

We said good-bye to Peter Salmon z'l this week, a tzaddik who taught us how to act by example. Sharing their innermost stories at the lavaya, Peter's sons Josh, Yossi and Menachem painted a portrait of a quintessential man of faith, family, friendship, and service to others in every single thing he did. Peter will be deeply missed.

Our first Shabbat morning in the chuppah garden under Phase One of the third Provincial reopening was shehechyanu-worthy. At long last, real smiling faces. Meaningful tefillah and song. It is time to bring back normal, to come together again. Please join us this Shabbat at 8AM (early start this week only) for BAYT's 'backyard minyan' in the chuppah garden.

Even though Medinat Yisrael served as a global model how to emerge from the pandemic, Jews in Israel and galus still lost patience and bickered with one another over COVID protocols. At a time when achdus was desperately needed, we frayed at high cost unable to see the light of Israel's massive and rapid vaccination program.

I am beyond proud, with just a few regrets, of how BAYT has handled COVID. We played by the rules. When we were not certain, we sought guidance. We never winged 'it' or ignored 'it' simply because 'it' was too inconvenient, potentially unpopular, or unclear. The positive feedback on our COVID protocols from the Kehillah were ratified by those in government and public health. BAYT made decisions as a collective for the collective. Yet once again, the law of inevitability made it impossible to please everyone.

BAYT emerges from COVID with restored confidence and courage. We are a proudly Orthodox community that has and will continue to thrive as part of not apart from the modern world around us. You should all be proud. And for the few who are not, once again that is just the law of inevitability.

Aside from the normative cusses and insults, many of your e-mails concern things perhaps done wrong. You already know we acknowledge our mea culpas and strive to prevent repeats. Here is how you too can help prevent repeat gaffes:

You need to first log into your BAYT account before you make any online payments on our website. If you make online payments without first logging in, your payments have to be manually matched to your account resulting in delays.

Shabbat Shalom.

Jeffrey M. Brown, President

"It takes a big heart to help shape little minds."

We would like to thank Zimri Prutschi for her years of dedication to BAYT Youth. From Shabbos youth groups, to special events and programs, Zimri always had a smile on her face and ensured each child had a great experience! We wish Zimri hatzlacha next year at Guelph University!

WEEKLY HALACHAH

How may I clean shells and peels from my Shabbat table?

Generally, items which have no Shabbat function are *muktzeh*.

Shells and peels which are suitable for animal food do have a function, and therefore they are **not** *muktzeh*. *This is true even if I do not own such an animal, so long it is common in the area.*

Shells and peels which are not suitable for animal food may be removed in one of the following ways:

- While eating, drop them in a bowl or plate which already holds items that are not *muktzeh*, so that the items will be moved together;
- If they are on the table, one may sweep them off via an intermediate item, like a knife. Alternatively, one may tilt the tablecloth or table, so that they slide off.

HERSZ (JERRY) SCHERER, SON OF HOLOCAUST SURVIVORS, WAS BORN IN SIBERIA IN 1945. HE AND HIS PARENTS SPENT 3 YEARS IN A DISPLACED PERSONS CAMP BEFORE EMIGRATING TO MONTREAL IN 1949. IT WAS A COMMON PRACTICE OF HOLOCAUST SURVIVORS NOT TO SPEAK ABOUT THEIR EXPERIENCES TO THEIR CHILDREN.

JERRY WILL SHARE HOW HE UNCOVERED THEIR STORIES USING THE SAME RESEARCH TECHNIQUES THAT HE LEARNED AS AN AMATEUR GENEALOGIST. JERRY IS CURRENTLY THE VICE PRESIDENT AT THE JEWISH GENEALOGICAL SOCIETY OF TORONTO.
