ANNOUNCEMENTS

BAYT COVID-19 Protocol Update – October 8, 2021

This update modifies earlier BAYT COVID-19 Protocols to address varying needs in our diverse kehillah given evolving public health considerations.

Many parents of school children ineligible for vaccinations told us they want their kids to attend BAYT. On the other hand, some fully vaccinated members remain vulnerable. Though complete consensus is not possible, we can all be extra considerate of one another regardless of our individual views. When we come together at BAYT, please follow our COVID-19 protocols, be honest regarding your vaccination status, and stay at home when in doubt. Please bring concerns to an Executive committee member, not our Gabboim.

Vaccination Policy

Province of Ontario proof of vaccine and passport requirements do not apply to houses of worship (although they do apply to catered events at BAYT). While some shuls have adopted mandatory vaccination policies, enforcement can be inconsistent and problematic. At this time, BAYT does not plan to adopt a mandatory, difficult to enforce vaccination policy. BAYT continues to prefer an honour-based approach among our members, as we did during the Yamim Noraim.

BAYT strongly encourages all age-eligible members to obtain two COVID-19 vaccine doses. We prefer age-eligible members who choose not to vaccinate to not attend BAYT. Unvaccinated persons who are not BAYT members or guests of a BAYT member may not attend BAYT.

We also remind the kehillah that Federal law requires unvaccinated persons (including children) entering or returning to Canada to quarantine for 14 days upon entry. Please do not attend BAYT (indoors or out) during a mandatory 14-day quarantine period if you are unvaccinated.

Youth Programs

Youth programs will move into the west wing classrooms on the ground level starting at 9:45 this Shabbat.

On October 16, BAYT Youth will roll out its Mom and Tots' group for children who are too young to participate in regular Youth groups. This too will be held in the west wing classrooms. Also starting October 16, our Jr. Congregation minyan launches in the west wing classrooms.

The Young Families/Young Professionals minyan will continue in the Turk Family Beit Midrash for the foreseeable future, so parents will be nearby.

Please screen your child before bringing them to shul. Do not bring your children to shul if they are coughing, have a runny nose, a fever, or any other symptoms of illness. Rapid antigen testing is not required.

Children Over 10 May Attend Minyanim

Unvaccinated children aged 10 and up who are able to properly wear a mask may daven with their parents in the main shul minyan or the Young Families/Young Professionals Minyan. All children inside BAYT must be either in Youth programming or in a minyan with a parent.

School Exposures

Please do not attend BAYT if you or your children (1) were exposed to COVID-19 at school and have COVID-19 symptoms, (2) had a positive rapid antigen test, (3) are awaiting PCR test results after experiencing COVID-19 symptoms, (4) were unmasked in a school or other location in a current COVID-19 outbreak or (5) were told to self-isolate at home by a public health authority.

Unless fully vaccinated, others in the household should not attend BAYT until the exposed person receives a negative COVID-19 PCR test (not a rapid antigen test) result, is cleared by a public health authority, or is diagnosed as not having COVID-19. CONTINUED.

If you have not yet picked up your book for the brotherhood siyum please email
Moishe Posner at moishe@gmdwholesale.com

ANNOUNCEMENTS

Other Exposures and “Close Contacts”

Please do not attend BAYT if you or a close contact tested positive (including a rapid antigen test) for or are awaiting a COVID PCR test result; have any symptoms of COVID-19; are unvaccinated and were outside of Canada within the past 14 days; or received a COVID Alert exposure notification on your cell phone in the past 14 days.

A “close contact” includes (1) someone with whom you have been within 2 metres for more than 10 minutes; (2) someone who lives in your household or provides care to you; (3) someone with whom you have had close physical contact including a handshake; or (4) someone who accidentally coughed, sneezed or spit on you while talking with you.

Please do not attend BAYT indoors or out if you were unmasked and in close contact with others at a location you know or suspect has a current COVID-19 outbreak, even if the outbreak has not been reported to public health authorities.

Masks and/or Face Coverings Required Indoors

Ontario law requires everyone over the age of 5 to wear a face covering such as a non-medical mask while attending an indoor religious service. A plastic face shield or mouth/nose covering alone does not replace a face covering. BAYT does not have a medical exemption to this requirement.

Seating

In the Main Shul, please sit only in seats marked with green tape on the seat back according to the number of people in your group. The green tape allows us to satisfy Ontario capacity limitation requirements. Please do not move chairs or the mechitzah around in other minyanim.

Kiddush

BAYT will hold congregational kiddush after Main Shul davening concludes. Unvaccinated individuals, including children who attend the main shul minyan with a parent, should not attend this kiddush if held indoors.

The Young Families/Young Professionals minyan will also hold kiddush. Unvaccinated persons, children in particular, may attend this kiddush.

Removal of Chuppah Garden Tent – November 8

The rental company requires the tent be taken down by November 8. We will announce our daily and Shabbat minyan schedules as soon as they are finalized. We anticipate that the 8:25 Shabbat Chuppah Garden minyan will become a fully vaccinated only minyan when it moves indoors.

Thank you for continuing to do your part keeping our kehillah safe and healthy.

ANNOUNCEMENTS

WEEKLY HALACHAH BY RABBI TORCZYNER

TORCZYNER@TORONTOTORAH.COM

This year is a shemitah year; what laws apply to Israeli produce?

The particulars of shemitah are beyond the scope of this short paragraph, but here is some basic information, as presented by the Rambam:

The Torah presents four laws regarding Israeli produce which grows during the shemitah year:

1. One must abandon it to anyone who wants it; the owner may neither fence it in, nor collect the entire harvest. (Mishneh Torah, Hilchot Shemitah v'Yovel 4:24)
2. One may not market it commercially. (ibid. 6)
3. One may not destroy it. (ibid. 5:1-11)

At the end of the shemitah year, when this crop is no longer available in the ground, one must eliminate anything of that crop from the home. (ibid. 7)

1 In addition, there are two relevant rabbinic laws:

1. One may not eat vegetables which self-seed, unless they grow in certain types of fields which are not normally used for cultivating vegetables. (ibid. 4:1-6)

One may not export produce which grows in Israel during the shemitah year. (ibid. 5:13)

For practical guidance, see the COR's website at https://www.cor.ca/view/1035/shemittah_5782.html.

Also, Beit Midrash Zichron Dov, BAYT and other organizations are co-sponsoring a special shiur, "The Canadian in Shemitah in Israel", on Zoom on Monday October 11 at 10 AM EDT. The shiur by Rabbi Yosef Zvi Rimon, Chief Rabbi of Gush Etzion and an expert on shemitah, is free of charge, and open to all; it will be in easy Hebrew.

Please register at <https://torontotorah.com/shemitah>. The Zoom link for the shiur is at <http://tiny.cc/ravrimon>.

DVAR TORAH BY RABBI METZGER

cmetzger@torontotorah.com

Man of Two Worlds

Why is Noah, a righteous man who walks with G-d, commanded to build an ark to ensure the continuity of mankind? Why isn't he commanded to pray or serve G-d in another way?

Building an ark seems to be an act reminiscent of Kayin, a city builder, and infamous slayer of Hevel. Or perhaps his descendant Tuval-Kayin who invented metallurgy. Why should a man of G-d debase himself with this physical act?

Noach was supposed to be the bridge between the two worlds, between the descendants of Kayin who were men of the land, and the descendants of Shet, whose descendants Enosh and Chanoch called out to G-d and walked in His ways. The man of G-d needed to learn the ways of the earth, Derech Eretz, before he could show the errant generation of the flood the golden road. Noach needed to be versed in Torah uMada, Torah vAvodah, or Torah im Derech Eretz, to fix the broken world.

Unfortunately, Noach was unable to convince his generation to get on board, but we must learn from Noach to keep both the will of G-d and the needs of the earth in our sights as we navigate our ever-changing world.
