BAYT COVID-19 PROTOCOLS– EFFECTIVE JULY 16TH, 2021

BAYT's COVID-19 Protocols incorporate Health Canada and Province of Ontario guidelines by reference. The Province of Ontario will enter Phase 3 of our reopening plan effective July 16, 2021.

Capacity Limitations Applicable to Religious Services (Including Weddings but Not Receptions)

Under Phase 3, the number of persons occupying any room in the building or structure while attending a religious service must be limited to the number that can maintain a physical distance of at least 2 metres from every other person in the room. BAYT's current indoor capacity limitations for religious services neither increase nor decrease under the Phase 3 regulation and will remain as posted. Our existing capacity limitations allow persons to maintain a physical distance of at least 2 metres from other persons as required under the Phase 3 regulations.

Under Phase 3, persons attending indoor religious services at BAYT must comply with public health guidance on physical distancing and face coverings. The only masking exception applicable to BAYT under Phase 3 involves summer camp programs for children.

Each location at BAYT has the capacity limit posted outside the room. The capacity of the main shul for religious services (including a chuppah) is 250 persons. Please sit only in seats marked with green tape on back of the seat. Do not move chairs around in other minyanim.

Outdoor capacity for religious services remains limited to permit 2 metres physical distancing under Phase 3. The capacity for the Chuppah Garden for religious services is 75 persons.

By law, all persons attending religious services must comply with public health guidance on physical distancing. Face coverings are not required at an outdoor religious service.

Face Coverings Still Required Inside BAYT (No Changes from Phase 2)

Province of Ontario Phase 3 emergency regulations require everyone to wear a face covering such as a non-medical mask while attending an indoor religious service. In part, Health Canada advises that a "non-medical mask or face covering" should be made of at least two layers of tightly woven material (such as cotton or linen) and be large enough to cover the nose and mouth completely and comfortably without gaping.

A plastic face shield or mouth/nose covering alone does not replace a face covering or mask because it does not completely cover the nose, mouth, and chin. If you choose to wear either a plastic face shield or mouth/nose covering, you also need to wear a mask made of at least two layers of tightly woven material large enough to completely cover your nose and mouth without gaping. Outside the BAYT, face coverings are recommended but not mandatory.

Kiddush at BAYT After Davening

A Kiddush meets the definition of a "social gathering associated with a religious service" under the Provincial regulations. Under Phase 3, attendance at a kiddush is limited to no more than 25 persons indoors and no more than 100 persons outdoors. Face coverings are required to be worn at an indoor kiddush unless one is eating or drinking. Face coverings are not required outdoors.

Please be patient with us as we finalize plans to accommodate kiddush both inside and outside BAYT.

ANNOUNCEMENTS

Wedding Receptions and Similar Events (Including Kiddush After Davening) Under Phase 3

BAYT is considered a “meeting or event space” under Provincial emergency regulations. We have determined BAYT can host indoor receptions of up to 250 persons in Perlis Hall, up to 80 persons in Rebbetzin Judy Taub Hall and up to 40 persons in the Simcha Suite, based on two new capacity limitations under Phase 3.

First, the total number of persons permitted inside BAYT for an event(s) at any one time is limited to the number of people that can maintain a physical distance of at least 2 metres from every other person inside BAYT not to exceed the lesser of 50 per cent capacity of all rooms available for events (i.e., excluding rooms not available for use events) or 1,000 persons inside the entire building.

Second, the number of people permitted in a particular room inside BAYT for an event is limited to the number of people that can maintain a physical distance of at least 2 metres from every other person in the room not to exceed 50 per cent capacity of the room.

The total number of persons permitted at an outdoor reception at BAYT may not exceed 75 persons (i.e., 75% of Chuppah Garden capacity).

For all events both indoor and out, tables must be 2 metres apart from one another. Guests must wear facial coverings at all times except when eating or drinking. All hosts are required to provide BAYT in advance with a list of the names and contact information of all attendees which BAYT is required by law to maintain for one month after the event.

Please contact Karen Zilberberg for more information regarding events receptions at BAYT including specific capacity limitations (karen@bayt.ca).

Changes to Schedule of Weekday and Sunday Shacharis Start Times Effective Friday July 16

Effective Friday July 16, weekday morning davening times at BAYT will be as follows:

- ♦ 6:15 AM Birchos HaShachar - Yishtabach at 6:30 AM sharp in the Turk Beis Medrash
- ♦ 6:45 AM Birchos HaShachar - Yishtabach at 7:00 AM sharp in the Chuppah Garden
- ♦ 7:15 AM Birchos HaShachar - Yishtabach at 7:30 AM sharp in the Turk Beis Medrash
- ♦ 8:30 AM Birchos HaShachar in the Chuppah Garden

Sunday morning:

- ♦ 6:45 AM Birchos HaShachar - Yishtabach at 7:00 AM sharp in the Turk Beis Medrash
- ♦ 7:45 AM Birchos HaShachar - Yishtabach at 8:00 AM sharp in the Turk Beis Medrash
- ♦ 9:00 AM Birchos HaShachar in the Chuppah Garden

The above changes will not apply on Tisha B'Av.

Many who attend the current 6:30 AM weekday minyan have early work commitments. Moving the start time to 6:15AM accommodates their needs as well as the preference of others to daven Birchos HaShachar in a minyan without rushing.

The changes to the new weekday minyan starting at 6:45 AM replicates our old 6:45 minyan while accommodating the preference of those who prefer to daven Birchos HaShachar in a minyan without rushing. The 6:45 minyan will take place in the Chuppah Garden.

The change to the weekday minyan starting at 7:15 AM accommodates more members who prefer an earlier, unrushed minyan.

ANNOUNCEMENTS

BAYT will return to a full Chazaras HaShatz at our regular weekday mincha.

Changes to Schedule of Shabbos Start Times Effective Friday July 16

The late Erev Shabbos mincha/maariv is cancelled due to lack of a minyan over the past few weeks.

Shabbos morning davening times at BAYT will be as follows:

- ♦ 7:30 AM Birchos HaShachar in the Turk Beis Medrash
- ♦ 8:20 AM Birchos HaShachar – Shochen Ad at 8:45 AM sharp in the Chuppah Garden
- ♦ 8:50 AM Birchos HaShachar – Shochen Ad at 9:15 AM sharp in the Main Shul

The change to the start time in the main shul on Shabbat is intended to improve decorum.

The change to the start time of the Chuppah Garden minyan frees up the space for Youth and other activities.

BAYT will continue to offer two mincha/maariv minyanim on Shabbos. The first (in the chuppah garden) will end prior to the conclusion of Shabbos. The indoor minyan will conclude at the end of Shabbos.

Quarantine Exemption for Certain Fully Vaccinated Travellers Entering Canada After July 5, 2021

BAYT reminds our members that fully vaccinated members granted exemption from quarantine by a Canadian government representative upon entry into Canada can attend a minyan at BAYT. WEEKLY HALACHAH

R' MORDECHAI TORCZYNER – TORCZYNER@TORONTOTORAH.COM

When multiple people travel together, who should say tefillat haderech?

Ideally, prayers which call upon G-d for help should be recited by each person who needs the help. Therefore, each person who is capable should recite tefillat haderech. This may be a problem for a driver, though, due to concern for road safety as well as concentration on the prayer. Therefore, the driver ought to stop the car and recite tefillat haderech.

Where they cannot stop, a driver who can focus on the prayer and still drive safely may recite tefillat haderech while driving. A driver who cannot concentrate and simultaneously drive safely should listen to someone else recite tefillat haderech and respond Amen.

(Berachot 30a; Yerushalmi Berachot 3:3; Shulchan Aruch Orach Chaim 110:4; Magen Avraham 110:11; Eishel Avraham Buczacz to Magen Avraham 110:11; Mishneh Berurah 124:1, 193:5; Kinyan Torah II 119:2)

DVAR TORAH BY RABBI METZGER

cmetzger@torontotorah.com

Listening and Accepting

Every morning and evening we recite the Shma. But why does it begin with the word Shma, to listen?

In fact, the word Shma in its various forms comes up 23 times in this week's Parshah Vaetchanan. Why is the word to listen so integral to so many different aspects of the mitzvot in this week's Parshah?

While Shma is typically translated as listen, Onkelos in his Aramaic translation of the Torah almost always translates Shma as Kabel, accept. When hearing the commandments and the Torah it is important to not just let the sounds enter one's ears but to truly accept what they mean.

The Mitzvah of reciting the Shma is also called Kabbalat Ol Malchut Shamayim, accepting the yoke of the Kingdom of Heaven. This fits in perfectly as we have in mind to not only listen to the words of the Shma, but to truly accept them into our hearts, and proclaim G-d as our King, the One and Only.

Whenever listening to another person speak it is important to not only listen to their words, but keep our hearts and minds open to what they mean just as we do with Shma.

Aron Kodesh Dedication

For the past couple of years, we've been using the beautiful smaller Sefer Torah dedicated by the Salmon family and the shul in honour of our beloved Peter Salmon, z"l, who was niftar just over a month ago. When the Torah would travel to shiva homes and bring comfort to the avelim, the only thing missing was an equally beautiful Aron Kodesh that would bring added honour to the Sefer and to Peter, z"l. Due to the diligent efforts of our leadership, and the creative talent and hard work of Brotherhood president, Craig Guttmann, we are pleased to announce that the Aron Kodesh is now completed and will accompany the Salmon Sefer Torah for future journeys to shiva homes and smachot. We trust that Peter, z"l, would be very proud to see his name and the Salmon family name being used for so many mitzvos around the community. Peter was truly

a man who sought, through his love of all people, to improve people's lives and give any person he could a smile and a good feeling about themselves. He had a kind word for everyone, and a mean word for no one. May he always be an inspiration to all of us. Thank you to the Salmon family for allowing to use your name for this wonderful project.
