LATKE NIGHT ANNOUNCEMENT:

Dear Latke Night participants,

We hope that this email finds you well, and that you are staying healthy!

We wanted to inform you that while we had every intention and effort to run a creative and out of the box drive-in event, we have been advised to alter our mode of programming.

It is our absolute commitment to deliver an incredible evening of fun, games and more importantly awesome prizes. Therefore, we will be moving towards a Zoom event and we will be sending out the appropriate link and evening details in the coming days.

Given these new circumstances, our capacity has grown and we are now able to accommodate more participants. Please feel free to share the recent announcement with friends and family.

We can't wait to see you there!

Thanking you for your understanding,
Rabbi Josh and Laura Stein

ANNOUNCEMENTS

President's Message

Any given Shabbat, members share their thoughts on the good, the bad and sometimes the ugly. The ones that matter most are the constructive ones, those which if acted upon can realize a positive outcome. I always ask people to e-mail me after Shabbat. I simply cannot remember everything. When that happens, we do our best to follow through.

Even a petty complaint can become constructive when it ends with "how can I help?", a question asked not nearly enough. I have come to know a few people simply like to complain but do not donate, volunteer, or otherwise make a difference. For those members not in a position to write checks, please let us know how you can help your BAYT with your time. For those who can help financially, please join the growing ranks of Binyan HaBayit or otherwise make a generous donation or sponsorship before December 31.

Last week, a City of Vaughan By-Law officer visited BAYT upon an anonymous complaint about our kiddush. The ensuing conversation was constructive for the officer and for us. Perhaps the visit could have been avoided had the complainant shared their thoughts within. Remember:

Ontario law requires everyone over the age of 5 to wear a face covering such as a non-medical mask while attending a religious service or learning event. The presence of food and drink in a room or on a table should not prompt leniencies when it comes to masks. Please, when you are finished or not otherwise actively eating or drinking at a kiddush or learning event, wear your mask or face covering.

This slate will forever be known as the COVID Administration. In reality, this Executive Committee and Board has taken on many other significant tasks. Finances. Governance. Membership. Human Resources. Infrastructure. And we will continue to do so through June. "Lame duck" are two four letter words that will never be ascribed to this Executive Committee.

We recently welcomed Jonathan Hames as our new Treasurer. Jonathan served as treasurer over a decade ago. He and the budget and finance committee including new member Yaakov Adatto, are working with Terry Rubinstein on our 2022 budget for approval next month.

Eldon Moses will continue to serve on our Board having retired as Treasurer.

Playing an integral role on our important HR committee, Steve Mendel also joined the Board. Elie Goldberg also joined the HR committee. Our people represent a significant investment worthy of a capable HR committee and robust consideration on the Board.

Ben Breitbart along with Maury Gilman of our Technology committee have been meeting with Avital, Shimon, Rabbi Korobkin and myself to map our workflow processes. When we could had done something better, chances are the lack of documented workflow processes had something to do with it. This is critical work.

Jesse Nathanson joined the Site Development Feasibility Committee which reports it has been sorting through the CMHC seed funding package and options. Contrary to some rumours, BAYT is not up for sale, is not selling off any of our property and is far from making decisions with regard to potential development.

ANNOUNCEMENTS

Once again, over 40 participants attended this past Monday's Mizrachi Beit Medrash.

Board member Rabbi Neil Cohen is working to identify additional learning opportunities for BAYT members. The Michael Stavsky-sponsored daf yomi kicked off this week with 10 steady participants.

It is a busy time for David Vodianoi, David Lithwick, Noel Fernandes, and the entire facilities crew. The roof project is underway. Our older hot water heater died this week, and you already know about the corroded pipes above the Milevsky Beit Medrash. Please thank them when you see them.

Have a great Shabbat and a Happy American Thanksgiving.

Jeffrey M. Brown, President

BAYT COVID-19 Protocol Update – November 17, 2021

When we come together at BAYT to daven, for kiddush or to learn, please follow our COVID-19 protocols, be honest regarding your vaccination status and wear your mask at all times when not eating or drinking. And of course stay at home if you have any doubts.

Vaccination Policy
BAYT has an honour-based approach regarding vaccinations absent a provincial mandate. BAYT strongly encourages all age-eligible members to obtain two COVID-19 vaccine doses. We prefer age-eligible members who choose not to vaccinate not attend BAYT. Unvaccinated persons who are not BAYT members or guests of a BAYT member should not attend BAYT.

Unvaccinated persons, including children not yet eligible to receive a COVID-19 vaccine who attend the main shul minyan with a parent, should not attend a congregational kiddush.
Separate provincial rules apply to sit down catered events such as wedding receptions. Hosts of catered events at BAYT are required to verify vaccine status of their guests.

Masks and Face Coverings
At least through March 2022, Ontario law requires everyone over the age of 5 to wear a face covering such as a non-medical mask while indoors, including while attending an indoor religious service or learning event.

Kiddush
A congregational kiddush is a religious service. Provincial law requires you to wear a face covering at a religious service. The presence of food and drink is not a license to otherwise not wear a mask. When not actively eating or drinking at a kiddush, please wear your mask or face covering and maintain social distancing.
If you are uncomfortable, please do not attend a congregational kiddush.

Learning Events and Shiurim
Masks or face coverings are required when attending an indoor learning event or shiur that is open to the public at BAYT even when food or drink is served. When not actively eating or drinking at a learning event or shiur, please wear your mask or face covering and maintain social distancing.

Thank you for continuing to do your part in keeping our kehillah safe and healthy.

ANNOUNCEMENTS

WEEKLY HALACHAH BY RABBI TORCZYNER

TORCZYNER@TORONTOTORAH.COM

How many times should a mourner say Kaddish each day?

Historically, many Ashkenazi communities assigned each kaddish opportunity to just one mourner, with a lottery among mourners when there were insufficient kaddish opportunities. [The practice is less common today.] According to Rabbi Moshe Feinstein, the goal was for each mourner to recite one kaddish per day; this is a mourner's minimum obligation.

There is some dispute regarding whether a mourner may recite a single kaddish in the merit of multiple people; it would be appropriate to assign each kaddish to a particular person.

A minyan should not recite multiple Tehillim or present multiple divrei torah in order to add recitations of kaddish.

(Mishneh Berurah 55:1; Aruch haShulchan Orach Chaim 55:4; Igrot Moshe Yoreh Deah 1:254; Doveiv Meisharim 2:15:1; Minchat Yitzchak 3:144:1; Beer Moshe 4:97)

DVAR TORAH BY RABBI METZGER

cmetzger@torontotorah.com

Why did Esav kiss Yaakov?

Based on the dots on top of Vayishikayhu וַיִּשָּׁקֵהוּ Breishit Rabbah explains that Esav intended to bite Yaakov's neck linoshcho, not kiss him linoshko, but Yaakov neck turned to marble and he began to cry because of his broken teeth.

Rashi gives two options: 1) either that Esav wasn't genuine in his actions towards Yaakov and didn't kiss him wholeheartedly, or 2) Esav was overcome by emotion when Yaakov and his family bowed before him so Esav whole-heartedly kissed him.

Rabbi Shimshon Raphael Hirsch builds up and buttresses Rashi's second point - "That here purely humane feelings overcame Esav is warranted for by the little word ,וַיִּבְכּוּthey wept. A kiss can be false but not tears that flow at such moments. Tears are drops from one's innermost soul. This kiss, and these tears show us that Esav was also a descendent of Avraham. In Esav there must have been something more than just the wild hunter. ... and it is just Jacob on whom Esau has most opportunity to show, that, and how, the principle of humaneness begins to affect him."

May we all genuinely express our feelings just as R' Hirsch believes even Esav did.
