As We Approach Shavuot

Mazel Tov to those who recently completed the three year cycle of Mishna Torah! Quite an accomplishment.

Mazel to those who are participating in Daf Yomi who completed Masechet Sotah and on their siyum Wednesday night (see picture). On to Gittin. It's never too late to join.

The Rav's Weekly Sugya Shiur resumed this past Monday. The Sugya shir is a weekly in-depth analysis of halachic and/or hashkafic topics using primary and secondary texts. The topic this week was: "Accepting Yom Tov early - Do's and Don'ts". It will take place every other Monday evening at 7:30pm in the Gruda Beit Midrash. The Rav's Sugya Shir what's app group is run by Lazer Friedman and Robert Lichtenstein if you would like to join. Here is the link for this week's shir. https://www.youtube.com/live/Pqt9krTja_4?feature=share

A few weeks ago, I wrote about the Yom Hazikaron program put on by Mizrachi at the Binyanei Haumah. Here is the link if you would like to watch the ceremony. <https://youtube.com/playlist?list=PLWEDOV-T7Q1AsEjZUfPPMMNA90Pe58yin>

This Shabbat, I will be at Torah in Motion's Jewish Medical Ethics conference which I have not been to in a few years. I look forward to hearing from such amazing talented Rabbis and specialists in their fields like Rabbi A Steinberg, Rabbi A Glatt, Dr. Debbie Akerman, Rabbi S Brody and Dr. Michelle Friedman. Yishar Koach to our very own Dr. Lazer Friedman for organizing this amazing program with Rabbi Jay Kelman of Torah in Motion. I hope to share some comments upon my return.

Time is running out to sign up for the 5783 Annual Rabbi Aryeh Rosenberg z"l Shavuos Siyum and to sponsor as well <https://tinyurl.com/brotherhoodsiyum23>.

There are so many other wonderful Shavuot sponsorships opportunities besides the Brotherhood Siyum. There is the Yizkor Service, Youth Ice Cream Party, Youth Tikkun Leil Shavuot Program, Sisterhood Shiur, flowers to beautify our shul, Tikkun Yom Shavuot and the BAYT's Shavuot Reader. You can easily sponsor with this link and chose your sponsorship, in memory or honour of someone. <https://www.bayt.ca/form/Shavuos23.html>

Please save the date of Wednesday June 14 when there will be a dessert reception at Shaarei Shomayim honouring Rabbi Torczyner for his tireless work for the entire Toronto community. Rabbi Torczyner and his family will be moving to the US in August. The BAYT have been asked to raise money to offset some of the costs of the event and we have gladly agreed, so you will hear more about that in the near future.

Some people have asked me where they can get Eli Beer's new book 90 Seconds. This Shabbat one member (I can't remember who, please forgive me) mentioned that they are available at The Israeli Source.

A few weeks ago, our Shinshinim, Hagar and Reut, joined our Youth Department and we are thrilled. Hopefully you will have a chance to meet them and welcome them to the BAYT community. We are looking for a couple of families to host the Shinshanim who will be with us for 5784.

Security is an ever changing situation. Being proactive is very challenging and our Security/Safety Team are following the guidelines set out by York Regional Police and UJA Security and Community Security Services (CCS) the hallmark for shul safety in North America. Thank you to everyone who has embraced the new guidelines of bag checking on a regular basis and I ask that you give our volunteers some slack as they do what they can to ensure our safety and security.

Finally, I am very excited to report that we have seen the bookings for simchas accelerate over the past two weeks to levels I have not seen in years. Three or four events have booked our chuppah garden (with more expected) and over the coming days you will see the garden come alive as Jesse and his team do their magic.

Thank you to our Rav for a very important open conversation on a Chai Lifeline podcast this week. You can hear it at https://open.spotify.com/episode/1BZa73ZW12GFtFqp4qpWn7?utm_medium=share&utm_source=linktree

Shabbat Shalom!
Craig Guttman, President

ON AIR WITH CHAI SEASON 2

Episode 12

Were talking to Rabbi Daniel Korobkin

A RABBI'S FAITH IS TESTED

As a parent, when your child is diagnosed with a brain tumor, it will affect you in an infinite amount of ways - some ways you would never even think of. But when you're a person of faith, or more direct in this story, a Rabbi, can change everything. Rabbi Korobkin takes us through his life story and his sons diagnosis that ultimately lead him to Toronto where he runs a local shul. You have to ask, when a rabbi has his own faith tested, how does he remain steadfast in his own belief and still be able to lead a community? How does this diagnosis change him as a father? How were his outlook on life and faith affected? His new found perspective, as well as answers to the questions above and more are all shared with us during this awe inspiring conversation.

Link in bio to listen or find is wherever you listen to podcasts. Enjoy this latest episode of our podcast, ON AIR WITH CHAI, and don't forget to subscribe and leave us that 5 star review.

5783 ANNUAL RABBI ARYEH ROSENBERG ז"ל SHAVUOS SIYUM

Rabbi Aryeh Rosenberg, z"l, was well loved by our kehillah. The warmth of his personality drew people to him. The annual Brotherhood Siyum is in his memory and to honour the great pleasure that he took in encouraging people to learn Torah.

Rabbi Aryeh Rosenberg z"l, a Holocaust survivor, was a Rebbe at Yeshivas Eitz Chaim for over 30 years. Rabbi and Mrs. Rosenberg joined the BAYT in 1990. Rabbi Rosenberg's greatest pleasure in life was learning and teaching Torah. He attended Daf Yomi each morning and for many years gave a daily shiur to the community's seniors.

Gan BAYT kicks off 2023 with a Community Focused event

It was an absolutely vibrant and lively atmosphere as the Reena, Yachad, NCSY Torah High and about 10 BAYT High families gathered to kick off the much-awaited gardening season! The weather prevented the participants from loading the 200 containers which soon will be located in the fenced off area of the BAYT East Parking lot. However, Reena was able to quickly set up the decorating area in their gym at 927 Clark Avenue West, and with a flurry of e-mails and Whatsapp messages, everyone was able to move to the right location.

With laughter and chatter filling the air, everyone eagerly began decorating their containers with a burst of colours and patterns. The excitement was contagious and it was clear that this 2023 will be a gardening season like no other - full of energy, enthusiasm and tons of fun! A big thank you to all the organizations who participated as well as Thornhill Kosher Pizza and La Briut Café for the Pizzas.

Stay tuned to your 2023 BAYT Gardeners and GAN BAYT B'BAYIT Whatsapp group for garden setup and container pickup information.

DIVREI TORAH & NOTICE BOARD

WEEKLY HALACHAH BY RABBI TORCZYNER TORCZYNER@TORONTOTORAH.COM

I had a dairy meal, and want to have meat now. What must I do in between?

The requirements depend on the kind of dairy food one has eaten:

- After drinking dairy liquids, just rinse out your mouth; many people also wait at least 30 minutes.
- After eating solids (other than aged cheese), eat a solid pareve food that will clean the mouth, or brush your teeth. Then rinse out your mouth, and wash your hands or check them for dairy particles. Many people also wait at least 30 minutes.
- After eating aged cheese, wait as you would wait after eating meat before eating dairy. For good articles by the OU defining "aged cheese", see <http://bit.ly/cheesewait> and <http://bit.ly/oucheese>.

Authorities debate whether one may eat dairy and then meat in the same meal (following the protocol outlined above), without reciting a closing berachah for the dairy. For more on this issue, see the OU's "Halacha Yomis" on the topic at <http://bit.ly/dairymeat>.

(Shulchan Aruch Yoreh Deah 89:2 and note Shach 89:13; Magen Avraham 494:6; Darchei Teshuvah 89:14; Rabbi Binyamin Forst, The Laws of Kashrus pp. 208-209)

D'VAR TORAH BY RABBI METZGER CMETZGER@TORONTOTORAH.COM

The Levites replaced the firstborn of Israel to serve as guardians of the Mishkan, and the 273 extra firstborns needed to pay five silver shekels apiece. (Bamidbar 3:47) How did Moshe choose them?

Rashi quotes the Gemara in Sanhedrin 17a that Moshe was concerned that some firstborns might protest about the fairness of needing to pay to redeem themselves. Therefore, Moshe wrote 22,000 slips of paper being written "Son of Levi" and 273 with "five shekels" mixed them up, and had each firstborn draw from the lottery.

Why did Moshe spend so much time and energy? Couldn't he have simply assigned people?

Rabbi Menachem Meiri (13th century France) explains that everyone should be exceedingly careful to avoid feelings of jealousy between friends even if they are a great philanthropist or divinely ordained prophet who leads the people like Moshe.

Bamidbar is also called the Book of Numbers because of the various censuses contained within. No matter how large our community grows, no matter the amount, it is crucial to ensure that everyone feels represented. It is incumbent upon each of us to go out of our way to include individuals no matter how small the matter may seem.

**THE
FIRST 7
MINUTES**

Terror attacks, accidents and other tragedies such as on Yonge St. in North York and on the Danforth in Toronto, have taught us that disasters can reach North American communities anywhere anytime.

How to prepare for the unthinkable

Statistics show that it takes more than 7 minutes for Emergency First Responders to arrive on the scene of a Mass Casualty Incident.

In these 7 minutes ... You Can Save Lives

Join senior paramedics from Magen David Adom, Israel's National Emergency Medical Response team, and learn emergency response training, learn what you can do to help save lives in those critical First 7 Minutes. Magen David Adom's paramedics are the world's foremost experts on saving lives in catastrophic situations and share their expertise in countries around the globe.

This June they will be in Toronto to offer their expertise.

To guarantee admission, preregistration is recommended.
