PRESIDENT'S MESSAGE

Community

Last Shabbat every single square inch of our 90,000 square foot shul was utilized including the garden. Baruch Hashem (I guess we should be more careful what the Rav and I wished for three years ago) we were at capacity. We had four smachot and seven kiddushes! The best kiddush was in the newly planted stunning Chuppah Garden! The weather was perfect, even though we did lose a few chicken wings rolling off the carts outside. A huge thank you to Moishe, Jesse and the entire BAYT staff for their amazing dedication and support.

It's amazing that I even have to mention anything, but apparently people are shortcutting through the Chuppah Garden which is damaging our newly planted flowers. If you see anyone cutting through, please ask them politely to walk around. A lot of hard work and money has gone into the Garden. And our other garden is starting to come to life as well. It's great to see people come with their children and grandchildren and attend to their gardens. Looking forward to tasting the vegetables at kiddush in the coming months.

With all the planning to get ready for Shabbat last week, the office staff had a crisis that had to be dealt with. Our beloved David Midgen had put his knapsack by the shipping door on Thursday night and it might have been thrown out by accident. Understandably, David was distraught and as soon as the shul opened Friday morning, the dedicated office staff helped to try to locate his bag. Jesse Armogida and Ari Lowenthal even went garbage diving both in the bin and the garbage truck but were unable to find it. But thanks to Irena, she went to Walmart and replaced almost all of David's contents on Friday, so David could relax and enjoy his Shabbat and inspire all of us to bring Moshiach now. Yishar Koach to all that helped with this mitzvah.

This past Monday, Yonati Wagner-Sues organized the Young Family Financial Checklist which was a panel discussion on Major Family Decisions which had a host of exceptional speakers and the turnout was great. The event had ASL (sign language) which was done by our very own Anna Grunfeld which allowed some to attend that otherwise would not have been able to. So beautiful!

This weekend, Beit Midrash Zichron Dov will host their bi-annual Shabbaton at the BAYT and I'm sure you will plan your Shabbat around all the various shiurim the Rabbis and the avreichim will be giving. Of course, this year's Shabbaton is bittersweet as the BAYT will be sponsoring kiddush in honour of Rabbi Mordechai Torczyner who will be moving to New York in the future with his family. In fourteen years, Rabbi Torczyner has built an amazing Kollel for the Toronto community and I am very privileged to have served on the board for the first few years getting this Kollel off the ground. I just can't bring myself to thank Rabbi Torczyner yet, as I feel it's just too early to say goodbye or I guess, deep down, I'm hoping he will change his mind. I am extremely appreciative for what he has done for Toronto and in particular for the BAYT. Please join us for a great kiddush in the Perlis Hall after davening in the Main Shul.

Please join the community for a desert reception for Rabbi Torczyner on Wednesday June 14th at Shaarei Shomayim (we were all booked up). There is no charge for this event, but please rsvp for the reception at TorontoTorah.com/celebration. Part of the funds raised from our kiddush will offset the Shaarei Shomayim event costs, so thank you to the BAYT members for their support of kiddush and the reception.

Shabbat Shalom!
Craig Guttman, President

EVACUATION PROCEDURE FOR SHABBAT/YOM TOVIM

Reasons for Evacuations could be -

- Fire
- Power Outage
- Moving People to Safety

Although we would ideally want to have "wardens" appointed to guide everyone out the building, unlike schools or offices where the core group is static our shul with the multitude of minyanim particularly on a Shabbat we are dealing with a fluid situation.

The evacuation model we are working with is as follows

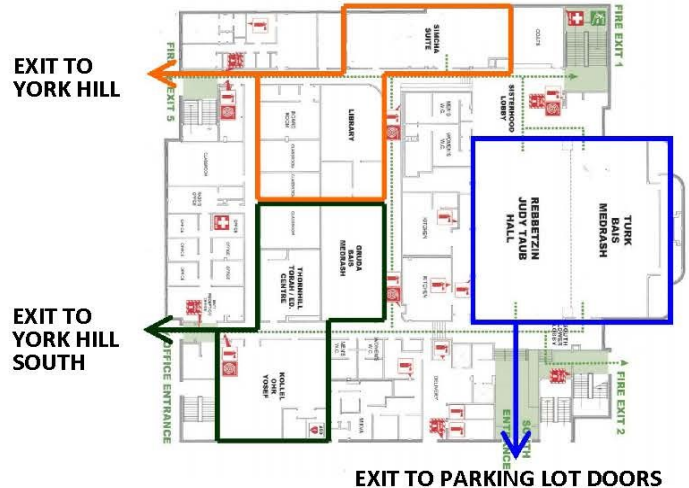

Everyone's cooperation is necessary to Evacuate safely and speedily. Safety-Security Members are to take charge of the area they are in and guide persons out the area. Once an area is CLEAR the Safety-Security Members should proceed to exit the building and make sure that all others have done so as well. As the last persons exit the building advise the **Evacuation Leader** who will be standing by the island at the Parking Lot Entrance Doors

- When a **Fire Alarm** or **Instruction to Evacuate** is heard everyone should move quickly to the **nearest designated exit point** - do not run or push - proceed down/up the stairs to exit the building and then move to the **Safe Evacuation Areas** along the east side (601 Clark) and south side (Eitz Chaim) of the parking lot **DO NOT CONGREGATE IN FIRE LANE**
- DO NOT use Elevators
- DO NOT gather your belongings
- DO NOT try locate your children - the Youth Department will take care of children in designated Youth programs
- When a Fire Alarm is pulled ALL Exit doors unlock
- The first persons reaching a door leading to an exit should hold open the door and stand clear to speed the exit of those behind them until relieved by a Safety-Security Team Member
- Once Safety-Security Team members reach the door they should take over from the lead persons that were first at the door
- Once everyone has safely evacuated the area Safety-Security Team Members should report to the **Evacuation Leader** to indicate that the area they left is CLEAR
- Persons needing Assistance should move to the closest stairwell landing and remain there until assistance can be provided - advise the Safety-Security Team member who will report details to the **Evacuation Leader** to arrange for assistance
- Re-Entry to the building will be determined by the **Evacuation Leader** in consultation with the Authorities (Fire Department, Police etc)

UNLESS There is Smoke or Heat from a Fire, or you are advised otherwise by Security Team Leaders, the suggested exit routes that will reduce congestion are as follows

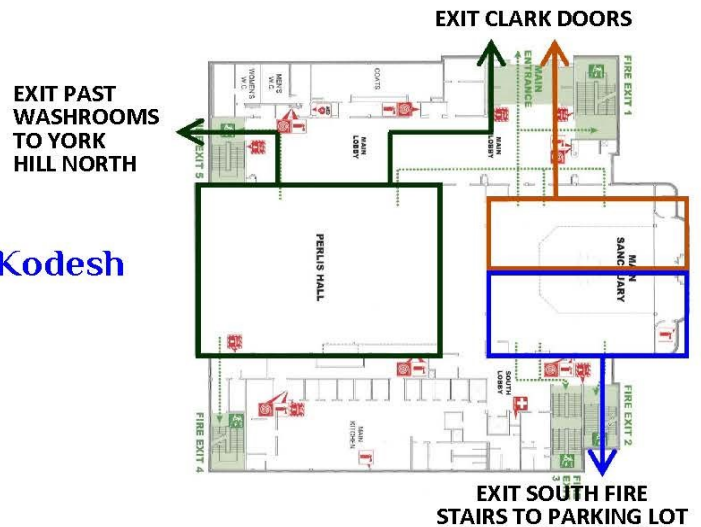

LOWER LEVEL

- **Rebbetzin Judy Taub Hall (RJTH) & Turk Bais Medrash** -- Right Hand Doors out through Parking Lot Entrance Lobby
- **Simcha Suite, Speisman Board Room, Classroom 6** - North-West corridor to Exit to York Hill
- **Milevsky/Kollel, Gruda Beis Medrash** - South-West corridor past Offices to Exit to York Hill

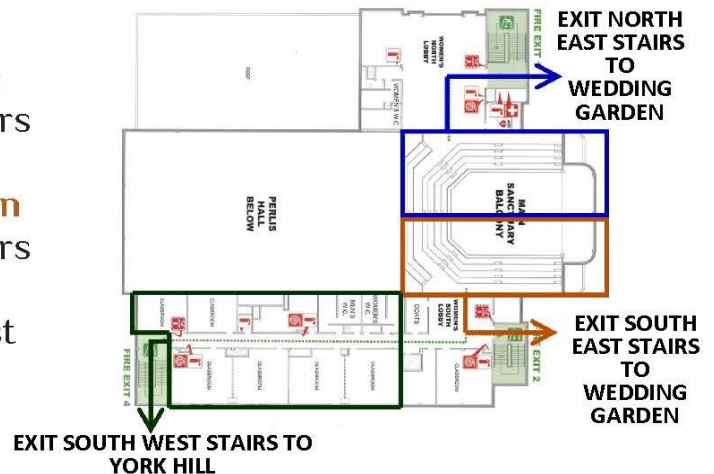

MAIN LEVEL

- **Main Sanctuary Men's Left of Aron Kodesh (North)** exit via Clark Entrance Doors
- **Main Sanctuary Men's Right of Aron Kodesh (South)** exit via Fire Stairs directly out to Parking Lot
- **Perlis Hall** - exit past washrooms down stairs to York Hill OR through Clark Entrance Doors

THIRD LEVEL

- **Main Sanctuary Women's Left of Aron Kodesh (North)** exit via North-East stairs out to Wedding Garden
- **Main Sanctuary Women's Right of Aron Kodesh (South)** exit via South-East stairs out to Wedding Garden
- **Youth Classrooms** - Exit via South West stairs out to York Hill

Young Families Financial Checklist Recap

**THE
FIRST 7
MINUTES**

Terror attacks, accidents and other tragedies such as on Yonge St. in North York and on the Danforth in Toronto, have taught us that disasters can reach North American communities anywhere anytime.

How to prepare for the unthinkable

Statistics show that it takes more than 7 minutes for Emergency First Responders to arrive on the scene of a Mass Casualty Incident.

In these 7 minutes ... You Can Save Lives

Join senior paramedics from Magen David Adom, Israel's National Emergency Medical Response team, and learn emergency response training, learn what you can do to help save lives in those critical First 7 Minutes. Magen David Adom's paramedics are the world's foremost experts on saving lives in catastrophic situations and share their expertise in countries around the globe. *This June they will be in Toronto to offer their expertise.*

To guarantee admission, preregistration is recommended.

Shinshiniot at BAYT

BAYT is extremely fortunate to have 2 female UJA Shinshiniot joining us in September!

The Shinshin program is an elite, pre-army, gap-year program where young Israelis join Jewish communities around the world to provide cutting-edge, contemporary Israeli programming. Each pair of Shinshinim work with a school and a shul (the BAYT Shinshiniot will also be volunteering at Netivot HaTorah Day School).

The Shinshinim live with host families in the community. Hosting a Shinshin is truly an amazing and enriching experience. We are looking for 4 host families - 2 for September to January, and 2 for February to June.

If you are interested in applying, or to learn more, please reach out to Jessica Gilbert (jessica.anne.gilbert@gmail.com). Jessica and her husband, Steve Mendel, were privileged to host one of the Shinshiniot this year and are happy to answer any questions you may have about the experience.

DIVREI TORAH & NOTICE BOARD

WEEKLY HALACHAH BY RABBI TORCZYNER TORCZYNER@TORONTOTORAH.COM

May I clean dirt and leaves from a lawn chair on Shabbat?

Dirt and leaves are muktzeh on Shabbat, because they have no purpose. However, one may remove these materials from a chair, or the surface of any otherwise-permitted space, by using another item to sweep them off. This method is called "tiltul min hatzad".

On a related note, one may not strain in cleaning furniture on Shabbat. One may wipe it gently with a cloth (so long as it is not a cloth dedicated for polishing).

(Shulchan Aruch Orach Chaim 311:8, 323:9, 337:2; Chayei Adam II 44:21; Chazon Ish Moed 47:21; Mishneh Berurah 323:38, 337:6; Shaar haTziyun 337:3, 337:7; Aruch haShulchan 311:19-21, 327:4, 337:6; Shemirat Shabbat k'Hilchatah 12:24, 23:8)

D'VAR TORAH BY RABBI METZGER CMETZGER@TORONTOTORAH.COM

What purpose did the seventy elders serve?

When Moshe is overwhelmed by Bnei Yisrael's complaints, he turns to G-d for help. (Bamidbar 11) G-d then provides seventy elders to help Moshe. They prophesied alongside Moshe, seemingly completely fulfilling Moshe's prayer. Yet a few short verses later they are unable to stop Bnei Yisrael and their intense desires for meat which ultimately end in plague. Why couldn't they stop the people's meat needs?

The elders were only selected after Bnei Yisrael had already rudely demanded meat. They had already past the point of reason and shifted to a mob mentality. Therefore neither Moshe nor the elders could stop them. Moving forward the Elders would be able to help Moshe, but now was too little too late.

It is nearly impossible to try and stop a stampede that's already in motion. If we plan ahead however, we can head them off at the pass and prevent the worst case scenario.
