## FIRE DRILL RECAP

Almost 7 years in the making we found a suitable Shabbat along with ideal weather conditions to conduct a Fire Drill. The frequent insert of the Evacuation Plan and preparatory training of the Safety/Security Team volunteers kind of showed our hand that the drill was happening soon. Despite planning and coordination the Alarm sounded earlier than expected. This demonstrates that a Fire doesn't wait for us to plan, it happens!

The vast majority of those in attendance evacuated in record time - 6 minutes - but some ignored the alarm which in a real situation would have placed people in danger. Hence, 9 minutes to clear the entire building and for the volunteers to report their areas clear. 3rd Floor Youth leaders brought kids down exceptionally fast keeping them together holding onto skipping ropes (Great idea Leora Prutschi). Having conducted the drill and reviewing CCTV footage we are able to determine what worked and where improvements need to be made.

Thank you for your cooperation and feedback without which we cannot ensure your safety and security.

# PRESIDENT'S MESSAGE

## Chukas-Balak

A huge shout out to the Adult Education Committee for a wonderful Shabbat last week. Every shiur was very well attended and they are well-attended because AE is doing a great job. Great speakers, great subjects. Adult Ed needs more support. I am helping Mark Mietkiewicz to identify more members to assist. We will have a zoom shortly with people who have shown interest in Adult Ed.

Rabbi Torczyner had mentioned to me that this past Shabbat was his son Aharon's last Shabbat in Toronto at the BAYT. Aharon is going off to camp and then will go on to his new home in New York but wanted to spend his last Shabbat at his home, the BAYT. It was very touching to have Aharon layn at mincha. Wishing Aharon much success in all his endeavours.

We had another medical incident on Sunday morning during tefillah. Thank Gd three doctors were on site within seconds. Thank you to Hatzoloh who arrived on the scene in four minutes, while the ambulance arrived in fourteen minutes. The coordination was impressive. The Security and Medical teams are evaluating the incident and evaluating ways to continuously improve. Todah to all who assisted.

Last Sunday was a very busy Sunday. We started with our Annual General Meeting which presented the financials, an update and turned over the new board. Welcome to your new board Dov Klein, Etan Mazin, Steve Mortfield and Debbie Scharf. Wishing you much hatzlacha. I wonder how we can get more active participation for the AGM. Is there a better time and/or day to hold it?

After davening Sunday, the Young Families, 125 strong, went down to the Blue Jays game. Wonderful BAYT family activity. I'm told that everyone had a wonderful time and running the bases after the game was a great highlight. I've seen some pictures too. I wonder if there is interest in a Bills game in the Fall.

By the time you're reading this, the season ending Young Families BBQ will have been held on Thursday afternoon. Over 200 people were already registered. Just so beautiful to see. I'm sure there will be pictures in next week's bulletin.

Mazel Tov to all the graduates in the various grades and universities, seminaries and yeshivot. We are all very proud. I wish we shared all the names in the bulletin in the future. Special shout out to Pini Yeres, Eitz Chaim's valedictorian. Mazel Tov.

Next week the membership renewal will be sent out. Renewing early makes a very busy office operate smoother. As I mentioned earlier, June has been an incredibly busy simcha season Baruch Hashem and August will follow not too far behind so renewing early is very helpful. I see that from the inside now, which I never really saw before.

One of my pet peeves is cell phones ringing during davening. It is so disturbing in the middle of tefillah. Everyone stops and looks around, and never mind that the ringtones are awful. It is amazing to me that people do not have the courtesy to shut off their phones or at least put them on mute when they step into the Beit Midrash to daven. Every time one goes off when I'm there, I think to myself, we should ask the member to donate \$18 the first time, \$36 the second time, and \$100 the third time. Is that harsh? Am I getting grumpy in my old age? Baruch Hashem no phones on Shabbat. True peace and quiet.

**Shabbat Shalom!**

# Dedication In Loving Memory Of Rabbi Leiby & Mindy Newman z"l

Leiby & Mindy Newman z"l were a loving and giving couple who contributed to their communities wherever they lived; Montreal, New York, Los Angeles and Toronto.

Rabbi Leiby Newman administered nursing homes in New York and was very active in Hatzoloh. Mindy was a teacher in Los Angeles and Toronto.

When they moved to Toronto, Mindy became a Grade 1 teacher at Bobov where she taught for 17 years right until she passed away.

Both Leiby and Mindy became Mashgichem for COR supervising at various catering venues. Mindy and Leiby were "the

Mashgicham" at the Park Hyatt Hotel and Mindy often supervised at the BAYT on Shabbat, including her last Shabbat when she was rushed to the hospital.

After Leiby and Mindy moved to Thornhill, they joined the BAYT. Leiby intentionally sat among the young men at the entrance to the main sanctuary on the north side where he became one of the guys and always greeted everyone coming into shul. Leiby passed away suddenly nine years ago.

Mindy loved coming to Shul and participating in the various shiurim and shul programs. Mindy's children were her students and her friends' children. Her students and their parents deeply felt her loss and learned Mishnayos in her memory. Her BAYT friends and their children honoured her memory at her shloshim. Mindy was close to her brother Mike and sister-in-law, Patricia. She was especially close to Leiby's son, Nuti and his wife Fran, who came to Toronto frequently to visit her.

**Rabbi Leiby & Mindy z"l were part of our BAYT family. We are honouring their memory by dedicating a Shtender on the Bima in the Main Sanctuary.**

**In addition, the Sisterhood will be inaugurating the annual Mindy Newman z"l Shavuot Shiur for Women.**

**Sponsorships start at \$ 100.**

## The Maddie Leventhal Mikveh Centre

Twenty-two years ago, the Maddie Leventhal Mikveh Centre was renovated and dedicated in the memory of the beloved Maddie Leventhal, by her family. Since that time, hundreds of women have used our mikveh each month assisted by our dedicated mikveh attendants, Mercedes Elmaleh, Deena Mammon, Simy Bitton, Denise Myerowitz and Laya Witty.

We are so excited to announce that our plans are finally coming to fruition and both the Maddie Leventhal Mikveh Centre and the keilim mikveh renovations will begin after Tisha B'Av. We are very grateful to our generous donors who have made this renovation possible and to Mikvah USA's partnership. Mikvah USA has included the Maddie Leventhal Mikveh Centre as one of the projects it will assist in funding and will oversee to ensure that the renovation goals will be met.

The Maddie Leventhal Mikveh Centre and the keilim mikveh will be closed from Monday July 31st when demolition will begin. We anticipate that the work will take 3 to 4 months to complete. We apologize for any inconvenience this work may cause but we will work diligently to minimize the time the mikveh is closed. The renovation has been planned so that all supplies required will be ready on hand to avoid any delays. The mikveh renovation committee has been working tirelessly, ensuring that every aspect of the mikveh renovation will meet the highest standards, both halachically and esthetically. Every function of the mikveh has been assessed and will be repaired or replaced. Mechanical, electrical, plumbing and design features have all been researched to ensure the running of the mikveh is cost-effective and efficient, for now and in the future. The most up to date and innovative water filtration and pump system designed and manufactured in Eretz Yisrael will be installed.

Thank you to our committee: Avital Sandler, David Vodianoi, Enny Herskowitz, Jessica Rosenberg and Zahava Yunger, to Craig Guttman for your guidance and Jesse Armogida for all your help. A special thank you to Sonya Kaplan who ensures the seamless administration of the mikveh.

The Maddie Leventhal Mikveh Centre Webpage, accessed through the BAYT website, will provide updates regarding the renovation and will display a list of alternate mikvaos to use during the time we are closed. The BAYT website will provide information for alternate keilim mikvaos for community use.

We look forward to the grand reopening of the Maddie Leventhal Mikveh Centre and welcoming the women of our community back to our beautiful new space.

# DIVREI TORAH & NOTICE BOARD

## WEEKLY HALACHAH BY RABBI TORCZYNER TORCZYNER@TORONTOTORAH.COM

### May I wear new tzitzit or tefillin during the Three Weeks?

Between the 17th of Tammuz and Tishah b'Av we do not wear new clothing which would require a berachah of shehechyanu, because of the joy involved. This includes wearing a new tallit; it also applies to wearing new tzitzit, if new tzitzit garments are uncommon and bring joy. One may purchase a new tallit without the strings attached, since it is not ready for wearing. One does not recite shehechyanu.

Many authorities permit wearing new garments on Shabbat, until Rosh Chodesh Av; this would apply for tallit and tzitzit as well. Some specify not to recite shehechyanu in such a case, even though it is Shabbat. One should follow communal custom.

New tefillin may be worn during this entire period. Most people do not recite shehechyanu for tefillin. Even among those who do recite it, that is because of joy in the mitzvah, which is always permitted. The kind of shehechyanu we avoid is the one recited because of the joy of wearing new clothing.

## D'VAR TORAH BY RABBI METZGER CMETZGER@TORONTOTORAH.COM

### Why does Balak King of Moav hire Bilam to curse Bnei Yisrael? Why aren't we allowed to marry Moabite men?

Moav sees Bnei Yisrael conquer the giants of Sichon and Og and therefore tremble in fear. (Bamidbar 22:2-3) These are normal reactions that could justifiably lead the war. The words at the end of verse 3 "Vayakatz Mipnei Bnei Yisrael", "were disgusted because of Bnei Yisrael." Rashi says this is the exact same usage as when Rivka said in Parshat Toldot "Katzti Bichayay", "I'm disgusted with my life." Rivka's comment was in response to the immoral actions of the native Canaanites and how she didn't want Yaakov to marry them.

### What precisely disgusted Moav then?

They were disgusted by Bnei Yisrael's morality and monotheistic practices, their steadfastly following G-d.

Their response was to curse Israel through Bilam, showing they had no desire to change themselves, they only sought to ruin Israel. In fact the Midrash explains that Moav already knew that Bnei Yisrael had no intentions of attacking them. Because of these callous and destructive actions of Moav, we are told it to marry their men much like Rivka had advised Yaakov.

Our reaction to seeing others excellence must be to see how we can rise to their level, not how to knock them down.
