PRESIDENT'S MESSAGE

See the Land of Milk and Honey

Thank you to Rabbi Torczyner's Beit Midrash Zichron Dov for its Shabbaton last week. Yishar Koach to the avreichim, Rabbi Steven Gotlib, Rabbi Jared Anstandig, Idan Rakovsky and guest appearance at the panel discussion, Rebbetzin Leora Leshner. It was a fabulous Shabbat of inspiring Torah thought, a beautiful kiddush in honour of Rabbi Torczyner, mixed with two aufrufs, which had the BAYT hopping. Thank you to all the donors for sponsoring kiddush in honour of Rabbi Torczyner.

We have committed to have Shinshinim at the BAYT next year and this is going to be spectacular for the shul starting in August. One of the obstacles for a sensational year is that the girls must be hosted by our members. We have been advertising for two families to step up and make their homes available for housing. If you have a spare room in your home, please contact Jessica Gilbert (jessica.anne.gilbert@gmail.com). I have heard that families that have hosted Shinshinim have been truly blessed to have them in their homes and it was an amazing experience.

It seems that we have overcome some challenges to get our financials completed for the AGM. I was so proud of all the hard work Jeff Brown and Jonathan Hames accomplished last year to get all the financials in order for Yaacov Adatto and myself this year so we would have financials on time for the AGM the first or second week of June. We had worked so hard to complete everything on time, but sometimes, life gets in the way, and we are not always in full control of our destiny. We just received word that the audited financials by Vine and Company (who have been excellent to deal with) are complete and sent out shortly in time for AGM on Sunday June 25th at 10am in the Rebbetzin Judy Taub Hall. I say it all the time, but the executive and board have worked tirelessly for the BAYT community, and it would be appropriate to come and hear about the accomplishments of the past year and thank them for their dedication. Also, next Shabbat morning, June 24th, Parshat Korach, we will recognize outgoing board members Meir Cohen, Zahava Yunger, Yoav Vodiano and Dr. Sharla Lichtman and Elaine Genesove will be stepping down as one of our Adult Educations Chairs, so please join us in the Main Sanctuary next week and a Congregational kiddush will be held in their honour.

This past week, our Sisterhood Chessed Committees got together in the home of Shayna Friedman where they spoke about their individual cheessed work and tossed different ideas around that could enhance this sensational group of volunteers. Thank you to Esty and Shayna for outstanding leadership.

I am very pleased to announce that renovation of the Maddie Leventhal Mikvah will begin by August 1. The Committee expects the construction to take four months (we lose one month for chagim) and the mikvah will be completely closed. Sonya Kaplan and Lisa Berman will be directing users of our mikvah to other places while the renovation is ongoing. The architectural drawings by Richie Idels are complete. We will share renderings when they are available. The mikvah will be spectacular and I look forward to seeing this dream come true. A huge thank you to the Mikvah Renovation Committee who have put much time in with the designer recently to ensure a successful completion.

This week we kicked off our Binyan HaBAYT campaign for 5784 by reaching out to our current members. Binyan HaBAYT enables us to continue accelerating our sensational learning, outstanding activities and engaging program services to our membership. Binyan HaBAYT also subsidizes our members who are unable to pay full membership.

This week's parsha is one of my favourites. How someone sees something. "It (the Land) flows with milk and honey BUT!, the nation that dwells in the Land is powerful." Both true statements. The cup is half full, but it is also half empty. It's a valuable life lesson for me, and assists me when I approach a situation. A positive attitude usually returns a positive response. I'm sure there are reasons not to be part of Binyan HaBAYT, but I would prefer to hear what motivated you to be member of Binyan HaBAYT, building a future for our fellow members, children and grandchildren for tomorrow and beyond.

Shabbat Shalom!
Craig Guttman, President

WHAT IS JUDICIAL REFORM AND WHY DO ISRAELIS FEEL SO PASSIONATELY ABOUT IT?

Reform of the Israel's Supreme Court has sparked unprecedented protests throughout the country and has made headlines around the world.

Join Mr. Eyal for a Q&A with Rabbi Korobkin to explain why he feels Israel needs to reform its judiciary.

YOTAM EYAL

Yotam Eyal supports the reform and is director of The Legal Forum for Israel, an organization which "dedicates itself to fight for justice and correct the many faults in the current system."

Yotam Eyal will also be speaking at the Shiur Be'Ivrit and at Shalosh Seudos

SHABBOS, JUNE | 17th | 2023
6:45 PM IN THE SIMCHA SUITE

613 Clark Ave W., Thornhill, ON L4J 5V3

EVACUATION PROCEDURE FOR SHABBAT/YOM TOVIM

Reasons for Evacuations could be -

- Fire
- Power Outage
- Moving People to Safety

Although we would ideally want to have "wardens" appointed to guide everyone out the building, unlike schools or offices where the core group is static our shul with the multitude of minyanim particularly on a Shabbat we are dealing with a fluid situation.

The evacuation model we are working with is as follows

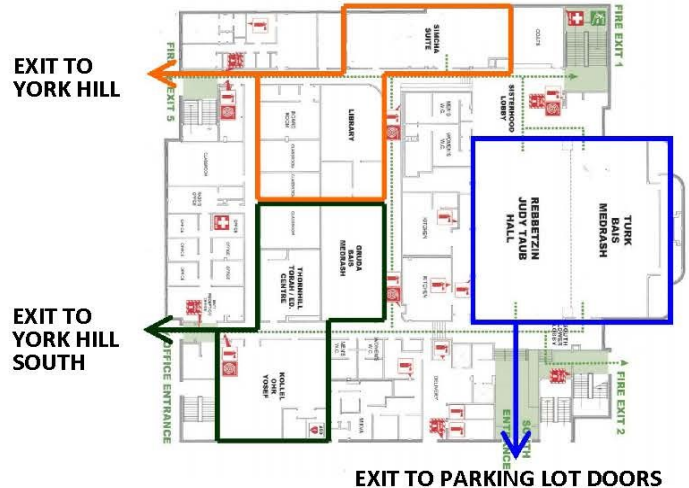

Everyone's cooperation is necessary to Evacuate safely and speedily. Safety-Security Members are to take charge of the area they are in and guide persons out the area. Once an area is CLEAR the Safety-Security Members should proceed to exit the building and make sure that all others have done so as well. As the last persons exit the building advise the **Evacuation Leader** who will be standing by the island at the Parking Lot Entrance Doors

- When a **Fire Alarm** or **Instruction to Evacuate** is heard everyone should move quickly to the **nearest designated exit point** - do not run or push - proceed down/up the stairs to exit the building and then move to the **Safe Evacuation Areas** along the east side (601 Clark) and south side (Eitz Chaim) of the parking lot **DO NOT CONGREGATE IN FIRE LANE**
- DO NOT use Elevators
- DO NOT gather your belongings
- DO NOT try locate your children - the Youth Department will take care of children in designated Youth programs
- When a Fire Alarm is pulled ALL Exit doors unlock
- The first persons reaching a door leading to an exit should hold open the door and stand clear to speed the exit of those behind them until relieved by a Safety-Security Team Member
- Once Safety-Security Team members reach the door they should take over from the lead persons that were first at the door
- Once everyone has safely evacuated the area Safety-Security Team Members should report to the **Evacuation Leader** to indicate that the area they left is CLEAR
- Persons needing Assistance should move to the closest stairwell landing and remain there until assistance can be provided - advise the Safety-Security Team member who will report details to the **Evacuation Leader** to arrange for assistance
- Re-Entry to the building will be determined by the **Evacuation Leader** in consultation with the Authorities (Fire Department, Police etc)

UNLESS There is Smoke or Heat from a Fire, or you are advised otherwise by Security Team Leaders, the suggested exit routes that will reduce congestion are as follows

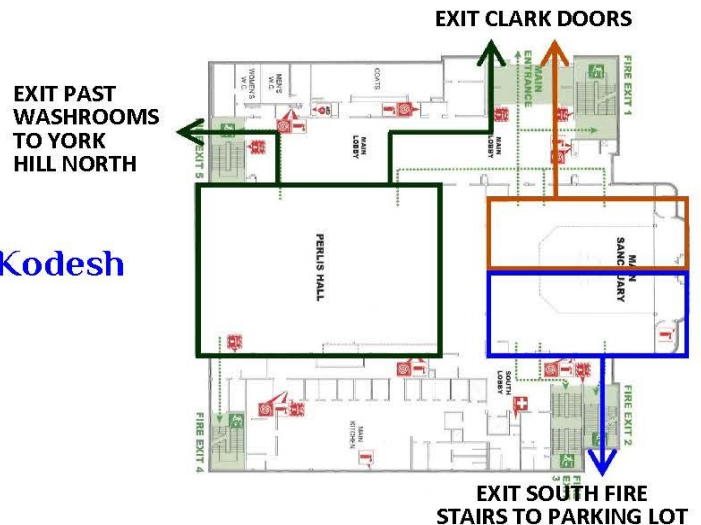

LOWER LEVEL

- **Rebbetzin Judy Taub Hall (RJTH) & Turk Bais Medrash** -- Right Hand Doors out through Parking Lot Entrance Lobby
- **Simcha Suite, Speisman Board Room, Classroom 6** - North-West corridor to Exit to York Hill
- **Milevsky/Kollel, Gruda Beis Medrash** - South-West corridor past Offices to Exit to York Hill

MAIN LEVEL

- **Main Sanctuary Men's Left of Aron Kodesh (North)** exit via Clark Entrance Doors
- **Main Sanctuary Men's Right of Aron Kodesh (South)** exit via Fire Stairs directly out to Parking Lot
- **Perlis Hall** - exit past washrooms down stairs to York Hill OR through Clark Entrance Doors

THIRD LEVEL

- **Main Sanctuary Women's Left of Aron Kodesh (North)** exit via North-East stairs out to Wedding Garden
- **Main Sanctuary Women's Right of Aron Kodesh (South)** exit via South-East stairs out to Wedding Garden
- **Youth Classrooms** - Exit via South West stairs out to York Hill

Shinshinot at BAYT

BAYT is extremely fortunate to have 2 female UJA Shinshinot joining us in September!

The Shinshin program is an elite, pre-army, gap-year program where young Israelis join Jewish communities around the world to provide cutting-edge, contemporary Israeli programming. Each pair of Shinshinim work with a school and a shul (the BAYT Shinshinot will also be volunteering at Netivot HaTorah Day School).

The Shinshinim live with host families in the community. Hosting a Shinshin is truly an amazing and enriching experience. We are looking for 4 host families - 2 for September to January, and 2 for February to June.

If you are interested in applying, or to learn more, please reach out to Jessica Gilbert (jessica.anne.gilbert@gmail.com). Jessica and her husband, Steve Mendel, were privileged to host one of the Shinshinot this year and are happy to answer any questions you may have about the experience.

DIVREI TORAH & NOTICE BOARD

WEEKLY HALACHAH BY RABBI TORCZYNER TORCZYNER@TORONTOTORAH.COM

May I apply sunscreen on Shabbat?

There are two potential concerns regarding applying sunscreen on Shabbat:

1. One may not smear a cream on one's skin on Shabbat, and
2. One may only use medicine on Shabbat in limited circumstances, and sunscreen might be viewed as medicinal.

Despite these two concerns, one may apply a spray-on sunscreen or a pourable liquid oil:

1. The prohibition against smearing only applies to materials which start out in a solid or semi-solid state, and are smeared with intent to coat a surface. [In a case of great need, even a cream might be permitted because it is absorbed in the skin, rather than visibly coating it. However, this would require a case-specific ruling from a competent halachic authority.]
2. According to most halachic authorities, sunscreen is not "medicine", since it is routinely applied by healthy people. Further, sunscreen is meant to prevent a health problem, not to cure one.

Of course, it is important to observe the biblical imperative to guard one's life; the risks involved in over-exposure to sunlight are well-known.

D'VAR TORAH BY RABBI METZGER CMETZGER@TORONTOTORAH.COM

Why does the entirety of Bnei Yisrael get punished for Chet HaMeraglim, the sin of the spies? Weren't they simply acting based on the information delivered to them?

The Midrash (Bamidbar Rabbah 21:10) explains that only the men were sentenced to die in the desert, but the women loved the land and did not fall for the spies' speech.

How were the women of Bnei Yisrael able to see past the reports of the spies? What led them to be on the side of Caleb and Yehoshua?

They loved the land and therefore didn't immediately believe what the spies said. When the truth was then reported by Caleb and Yehoshua they were vindicated.

We always have the opportunity to hear information and gather the relevant data. The interpretation and commentary that often comes along with it can be disingenuous and even dangerous. The responsibility for our actions isn't simply on the bearer of bad news, we also need to take heed that our choices matter. And depending on how well we understand that will determine our path to Israel.
