### MIKVEH FOR MEN

Please note: The Maddie Leventhal Mikvah will once again, unfortunately, be unavailable for men to toivel on erev Rosh Hashanah and erev Yom Kippur. We feel that due to Covid we must still err on the side of caution and keep everyone's safety a paramount consideration. The Rav advises men who would like to toivel to either use a private swimming pool (which is kosher for men only for these purposes), or to rely on the principle of "tes kabin," which states that as long as a certain amount of running water passes over your body, you may consider yourself purified. Certainly taking a 10 minute shower with your head under the showerhead satisfies this requirement.

Thank you for your understanding. We hope to accommodate your toiveling needs in the future.  
Chag sameach and Shanah tovah.
