President's Message:
With Deep Appreciation

With the High Holidays behind us, I would like to take this opportunity to thank the army of lay leaders who helped elevate our tefillot. A huge yishar koach to David Vodiano, your second Vice President and High Holiday Chair. He has worked non stop for over a month to ensure all five minyanim ran smoothly. Assisting David was Howard Wasserman and Eddie Jesin, our Parnas and Gabbai, who in turn worked with the rest of the gabbaim in all the minyanim. A big thank you to R' Neil Cohen, R' Ken Stollon, Marvin Newman, Mordie Shields, Howard English, Chaim Yunger, Jeffrey Silverman, Shimmy Wenner and Tommy Stopnicki. A big shout out to Cyril Brenman and Mitch Silverstein for their assistance arranging all the Ba'alei Tefillah, the Ba'alei Kriah, Ba'alei Tokea, Ba'alei Makre and the speakers delivering inspirational divrei Torah.

Thank you to the entire Security Team, led by Dana Prutschi and Steve Mortfield. You are true shomer Yisrael.

The Ba'alei Tefillah for all the minyanim were excellent. The quality of our Ba'alei Tefillah was at a very high level. The amount of time they devote to daven at such a high level is more than you can ever imagine and I know that I am very appreciative of them representing me before Hashem. I have heard so much positive feedback and I hope you take the opportunity to thank all of them. A big yasher koach to some of the new up and coming Ba'alei Tefillah from the Young Family members. I'm sure there are some more hidden gems.

A big thank you to our office led by Avital and Karen. The BAYT office becomes Ticketmaster for six weeks. It is completely chaotic processing 2,000 tickets, but look how smoothly everything went, thank Gd! The support of the rest of the office staff is so appreciated and they are a great team whom I love working with. Thank you to Terry and Talia (Accounting), Irena (Membership), Shimon and Melanie (Website, Bulletin and everything in between), and Rabbi Josh and Laura Stein (Youth).

A huge appreciation to Jesse Armogida, our head of facilities. This is a very busy place and orchestrating all the different set ups is very challenging and he's only been here for less than a year! There is no doubt that Jesse lovingly cares for the BAYT, the same way he takes care of his home.

Our Rav and Rabbi Leshner, Rabbi Torczyner, Rabbi Rothbart, Rabbi Thau and Rabbi Greenberg worked tirelessly to help fuel and elevate our tefillot so we could spiritually connect to Hashem. I know their words of divrei Torah inspired you like they did me.

Last week, the board approved the creation of the Mikvah Renovation Committee and approved the appointment of Lisa Berman and David Lithwick to co-chair this amazing and exciting project. I am pleased that Jessica Rosenberg, Enny Herskovitz and Jack Feintuch have agreed to work on this important BAYT project. Rabbi Korobkin and Rabbi Scheiner will be responsible for all halachic matters. Avital will be the office liaison.

This is a very exciting time for the mikvah and I will keep you up to date on its progress.

I hope that you have a wonderful time with your families during Sukkot.

Shabbat Shalom and Chag Sameach!
Craig Guttmann, President

WEEKLY HALACHAH
BY RABBI TORCZYNER
TORCZYNER@TORONTOTORAH.COM

How early in the morning may I put on tefillin?

We do not put on tefillin unless there is sufficient daylight to recognize a casual acquaintance from several feet away; this time is called "*misheyakir*". Some explain that we wait until *misheyakir* because visibility is a core requirement for tefillin; others say we wait until *misheyakir* lest someone don tefillin earlier and fall asleep while wearing them. The BAYT calculates *misheyakir* as one hour before sunrise.

One whose work requires him to begin davening before *misheyakir*, and who is unlikely to fall asleep, may don tefillin without a berachah as early as necessary. After *misheyakir* he should recite the berachah and touch the tefillin.

One who will need to complete the entire davening before *misheyakir* should don tefillin for davening without a berachah, and find a later time to don tefillin with a berachah, repeating Shema, even late in the day. If putting on tefillin later would be impossible, significant authorities permit reciting a berachah even before *misheyakir*.

D'VAR TORAH
BY RABBI METZGER

CMETZGER@TORONTOTORAH.COM

Why is there a special Mitzvah of joy, Simcha, on Sukkot? And how can we fully achieve it?

The source to be extremely happy on Sukkot and the holidays appears to be from the song ViSamachta biChagecha ViHayitah Ach Sameach, "and you shall be happy on your holidays, truly very happy" (Devarim 16:14-15)

This song is from the Torah but it is actually the beginning of one verse and the end of the subsequent verse. In between ViSamachta biChagecha and ViHayitah Ach Sameach includes @you, your sons and daughters, servants and Leviim, converts, orphans, and widows," the less fortunate in your cities. Not only that, the 7 days of celebration of Sukkot and doing so in Jerusalem are included as well. Only once you've fulfilled all that is in between, making sure to care for those in need and are subsequently blessed by G-d, will you truly be Ach Sameach extremely happy.

True, it is certainly enjoyable to celebrate and serve G-d wherever you are in the world but when you celebrate together with everyone else in the place G-d chooses, particularly in Yerushalayim, in His House, the Beit Hamikdash. That is when and where and with whom you will experience a whole new level of joy and happiness.

The BAYT West Side Garden – We are Thankful for a Community Experience in Charity and Achdus

In Late March 2022, the BAYT Board was faced with a critical decision. The Board never gave specific direction / permission for someone to go after the New Horizons for Seniors grant. So now, the Board was faced with a dilemma, return the \$24,000 dollars that the Canadian Government entrusted BAYT with, on behalf of the Canadian Taxpayers, or accept a plan to create the BAYT West Side Garden.

Although not unanimous, the vote to accept the money was passed. A follow-on motion requested permission to establish the BAYT West Side Garden in the 32 x 80 foot fenced in area on the York Hill Boulevard side. Permission was granted.

Izzy Kutnowski & Fred Winegust joined forces as the co-chairs of the BAYT-WSG Committee in April 2022. To keep project costs down, BAYT leveraged work already done by Reena in 2021 and became the first organization to implement the Reena Community Farm, Neighbourhood Model.

By establishing this relationship with Reena, BAYT was able to leverage Reena's existing volume procurement agreement for above ground containers, soil and non-manure smelling fertilizer mix, and their standardized seven vegetable plant set.

As a Reena partner, BAYT was able to take advantage of on-line education and supporting You Tube video, developed by Reena and Centennial College with subject matter help from the York Region Food Network and Niagara Region's Small Scale Farms

100 above ground containers were procured. Each container had a 10 liter reservoir which was easy to fill using the protruding pipe and a visual indicator to indicate when the reservoir was full.

An ad was then placed in the BAYT Passover bulletin looking for 25 families to participate in the program. Each family would be given 4 containers to manage. It took until early May for all families to sign up.

Each family was given the opportunity to "Eat What they Grow", "Give What they Grow" or a hybrid of the two.

In May

- ♦ 200 bags of soil arrived, along with 100 powder fertilizer packets.
- ♦ Rebbetzin Laura Stein organized 15 volunteers from NCSY Torah High, who helped load and place the 100 containers.
- ♦ Pre-ordered Vegetables arrived and were planted by the participating BAYT families
- ♦ Starter plants were Cucumbers, Peppers, Tomatoes, Green Onions and Eggplants
- ♦ Radishes and Yellow Beans were started by seed.

In June, Tova Guttenberg's Israeli grandchildren planted the 250 plant Pollinator Garden on the York Hill side of the fence. These plants were donated by the Toronto and Region Conservation Authority and the City of Vaughan, as part of the Thornhill Sustainable Neighbourhood Action Plan.

We hired a summer student, Yochi Deutsch, to be responsible for keeping the water reservoirs full and the pollinator garden watered.

And yet, the question was raised, "Was the government right to provide BAYT with \$24,000 in order to grow \$2,000 worth of food".

Here is a representative group of the BAYT West Side Garden farmers who answer that question;

"This was a great experience for all of us to learn how to seed a garden from start to finish. It encompassed many generations and brought a group together to create a wonderful community experience and allowed us to give back to others" - Lithwick Family

Sukkos, Shemini Atzeres, Simchas Torah, Shabbos, & Weekday Bulletin 5783

“This year's activity will last us all for many years to come. One cannot put a value on the forming of friendships and family ties facilitated by this garden.” - Kutnowski Family

“Clearly we have achieved all of New Horizons for Seniors Program objectives as stated in their website: promoting volunteerism among seniors and other generations, engaging seniors in the community, supporting inclusion of seniors, etc.” - Crandell Family

“This experience was truly medicine for my soul. Nice to see the other gardeners and chat time especially since locked up for 2 years with the Covid crisis. Really great summer.” Kurlandski Family.

In September we established a table outside the fenced area, where our BAYT farmers were able to put the produce they grew into wicker baskets. Whenever this was done, the BAYT Chessed WhatsApp group was notified. “If you need it – Take, If you know someone who needs – Tell Them, Take from the Basket, Not the Garden”.

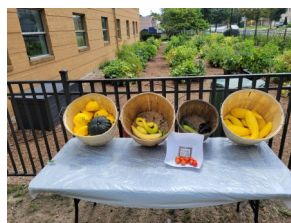

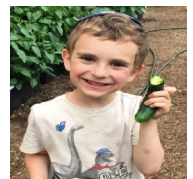

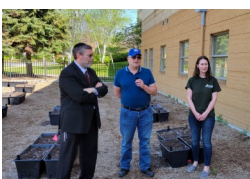

On occasion, after distributing vegetables to Reena Residences, Apartments, Selling its produce, and bartering with York Region Food Network, Reena would also contribute some of its leftover produce to the BAYT “Grow to Give” basket.

Rambam has identified eight levels of charity, each level greater than the next. The second highest level of charity is to give to the poor without knowing to whom one gives, and without the recipient knowing from who s/he received. This is performing a mitzvah solely for the sake of heaven. This was the essence of the “Grow to Give” experience at the BAYT West Side Garden

As we approach Sukkot, we have celebrated a wonderful first harvest, and the BAYT West Side Garden is in the midst of being dismantled.

You cannot put a price on Achdus and high levels of Charity, but we believe the 2022 BAYT West Side Garden experience has brought a new level of community thinking to BAYT. Not everything can be expressed in dollars and cents.

And we hope to repeat the experience in 2023 for more members of the BAYT Community

Yizkor Appeal:

This year, proceeds from the Yizkor appeal will go toward funding programs for our Young Singles and Families. As you know, BAYT has experienced a recent upsurge in attendance and participation by a whole new generation of BAYT members. These young adults represent the future of our community. As they build their lives and families, this cohort can use our help with funding various programs. With your help, we'll be able to subsidize picnics, BBQ's, and other social events where families can get together and grow as a community. We also hope to help our adult singles with matchmaking events.

In the merit of your gift, may your loved ones' neshamos have an Aliyah, and may you and your loved ones be sealed in the book of Life.

To donate to the Yizkor Appeal, please go to <https://www.bayt.ca/form/yizkor-pledges.html>
