

Sale of Chametz

Jewish Law forbids both the consumption and the ownership of all *chametz* and *chametz* products between Erev Pesach (11:00am April 19, 2019) and the end of Pesach (April 27th 11:00pm).

This form will enable Rabbi Corber to sell all of your *chametz* to a person who is not Jewish, who will *halakhically* own your *chametz* though it need not leave your house or any other location in which you may store *chametz*.

In order for Rabbi Corber to act as your agent in this capacity, we ask for an \$18 minimum donation which will be used to purchase Kosher for Passover food for low income families in the Toronto area.
