Anshei Emuna Gala

Miriam and I are honored to be part of this amazing community and to share this evening with Anshei Emuna's illustrious honorees. Over many years, their devotion and support has been essential in elevating our shul in the eyes of the wider Jewish community. Our shul's reputation is enhanced by the caliber of honorees at our annual gala event.

Sarah and Eric Gordon have been an integral component of the shul and Eric has served almost every position on the Executive Board including the presidency

and Sarah has served as the president of the Sisterhood. Their names are synonymous with Anshei Emuna as they have worked tirelessly to propel our shul forward.

Sherry and Herb Rosentock are genuinely nice people who over the years have done so much for the shul. Herb spoke so graciously at our Gala at Morikami Gardens expressing why Anshei Emuna is his synagogue of choice. Every Shabbat during the season Herb can be found in shul; his presence adds a special aura and ambiance to our services.

Barbara and Dave Shabat - I need an entire paragraph to express the gratitude they deserve. Dave has two jobs, one part time job in Chicago and one full time job at Anshei Emuna. His expertise in all matters relating to food has seen our Shabbat kiddush become

one of the highlights of those attending services. He doesn't just organize, he puts his heart and soul into everything he does. As shul president over the last two years, he has managed to elevate the synagogue into a more spiritual setting. His standards are high and very demanding and we are honored to try to live up to his expectations. Barbara his dear wife, is President of the Sisterhood and is totally dedicated to the shul. She is a perfectionist and wants to ensure that every facet of the shul is to her satisfaction. She is on the beautification committee and indeed has managed to inject her eye for detail to ensure that our renovations are the envy of other shuls.

What makes our shul unique is the camaraderie and friendship of our people. It may be the welcoming of a stranger or the warm embrace of a returning snow bird. Our shul is more than a house of prayer; it is a Beit Hakeneset, a house where all Jews are welcome. Kudos as well to our members who are devoted and dedicated in helping our shul fulfill its mission and goal. Special recognition has to go to our 'minnionaires' who attend services on a daily basis and ensure that we have a beautiful daily minyan.

Miriam and I have been privileged to have served this community for over ten years and look forward to being part of Anshei Emuna for many more years. However, our task has been made so much easier by the warmth, friendship and support of our members. May the Almighty bless Anshei Emuna with continued success. And our members realize the extent of their accomplishements and take a moment to close their eyes and 'kvell and shepp nachas'.

Rabbi Jack

Anshei Emuna Gala

Looking back on the last 12 months, I am so proud to be associated with the wonderful honorees for our 2019 gala and our shul as a whole. So many moments serve as vivid reminders of the many hours of conversations, meetings, mailings, phone calls and emails that brought us to celebrate Anshei Emuna's 41st anniversary here at The Polo Club. In addition to the hard work, we collectively leveraged new technologies, our outside marketing team, the experience and contacts of our honorees and the members of the gala committee with the ever present guiding hand of Rabbi Engel to make this night possible.

Our overall theme was to make this a first class fundraising event where attendees would be excited about attending. The momentum has been building for months, reaching a crescendo in the last few days. As you look around tonight. we cannot help but notice the attention to detail from the moment you drive up to the valet parking, register and have your picture taken to commemorate this wonderful event. From the cocktail hour with the silent auction, to the gourmet dinner, the presentation of awards to the honorees using the latest in audio/visual technologies and ending with a special concert by world renowned singer, Netanel Hershtik. I know all of us will relish the atmosphere of camaraderie and joy in being here tonight.

Our honorees and their families make tonight a time for well deserved recognition and celebration. I feel as if they are part of my personal family and am bursting with pride for the many wonderful ideas, innovations and action that they bring to Anshei Emuna and the Delray orthodox community.

I believe that with the role models of Herb and Sherry Rosenstock, Eric and Sarah Gordon, David and Barbara Shabat, and Rabbi Jack and Rebbetzin Miriam Engel, Anshei Emuna can expect significant growth and prosperity for many years to come.

Let us continue to harness the amazing communal and spiritual power we have as a collective force to bring about greater change for Anshei Emuna while keeping in mind the warm family atmosphere that Anshei Emuna is known for.

Thanks again to all of you for your ongoing support of Anshei Emuna and looking for-ward to seeing you throughout the year and especially at Anshei Emuna's 42nd anniversary Gala next year.

Sincerely,

Myron Bari President

About Netanel Hershtik

Born in 1978 in London, Netanel Hershtik began singing as a child, appearing regularly as a soloist in the Jerusalem Great Synagogue

with his father, Naftali Hershtik. At the age of seven, he toured with his father in Australia, throughout America and Europe. He went on to study at the Horev Yeshiva High School in Jerusalem and in Yeshivat Midbara K'Eden, served as an IDF combat paramedic, then graduated with an L.L.B. degree from Sha'arei Mishpat College of Law. He completed his L.L.M at the University of Miami's School of Law. Along with his legal studies, he pursued musical studies at the Tel Aviv Cantorial Institute and under Cantor Chaim Feifel, composer Raymond

Goldstein and others. Hershtik has served as Chief Cantor of The Hampton Synagogue, New York under the leadership of Rabbi Marc Schneier since 2005.

Hershtik's many appearances in Israel and abroad include performances with the Israel Philharmonic Orchestra, the Jerusalem Symphony Orchestra and many of the world's leading choirs. He has sung at the Lincoln Center, Kennedy Center, Vienna Konzerthaus, Sydney Opera House and the Casino de Paris, among other leading venues. He was the first cantor invited to perform a cantorial concert at the Berlin Philharmonic and at the Kennedy Center in Washington DC, and the first to be invited to perform for the United Nations in a Holocaust remembrance ceremony in 2006.

Netanel Hershtik made his Royal Opera debut in the 2017/18 season as the Cantor in Na'ama Zisser's new opera Mamzer Bastard, and became the first cantor in history to assume an operatic cantorial role.

Sarah and Eric Gordon Leadership Award

Sarah and Eric Gordon arrived in sunny Florida in August 1998 from the cold environs of Detroit with two of their children in tow and two others left up

north in higher education programs and work. They wanted a Jewish community in a warm environment with ample educational and social programs for their children. Anshei Emuna and The Polo Club were the right recipe for their family. Eric continued his varied businesses from Florida and Sarah focused on family, home and community.

As the past president of the Detroit synagogue, Congregation Beth Achim, Eric brought these leadership skills to

Anshei Emuna. He was instrumental in the hiring of our wonderful Rabbi Engel, spearheaded social and cultural activities and involved a growing and diverse membership. His leadership of our financials steered the synagogue to a more sound financial foundation.

As President of Anshei Emuna for one year as well as its Treasurer for 3 years, Eric helped put our synagogue on the Jewish map. He is a current member of the Anshei Emuna Executive Board. Sarah was Sisterhood Vice President and brought innovative and fun programs not only to our adults but to our children including Fashion Through the Ages, Tu B'shvat Seders and Genealogy programs. They are fortunate to have most of their children and grandchildren in Florida and have a contingent of family in Detroit. They truly exemplify L'Dor V'Dor, generation to generation, celebrating many family events at our synagogue.

Whereever they live, Sarah and Eric have been strong Leaders in their communities. They are major donors of the BRS Holocaust Garden and Memorial In Boca Raton which is used extensively by the Jewish community as well as the founders of the Campus for Jewish Living, a conglomeration of Jewish organizations under the auspicious of the Lubavitcher of Michigan. We are blessed to have them as leaders at Anshel Emuna. Mazel Tov!

Sherry and Herb Rosenstock Builder Award

Sherry and Herb Rosenstock came to Delray Beach 14 years ago. They have a long history of affiliations with shuls in their communities. They are still members of Park East Synagogue of NYC where they have been active over the past 40 years.

The Rosenstocks are also life members of Congregation Ezreth Israel in Ellenville, NY. Herb's family was a founding family in the Ellenville community and one of the core builders of the synagogue there. They were active in the continuation and the financial safeguarding of the Ellenville Jewish Cemetary - a part of the history of the Catskills.

Herb and Sherry are welcome members to the Anshei Emuna community where Herb is a happy and engaged participant at our Saturday morning services. They are often seen at various community events from Israel Bonds, to our Jewish lecture series to AIPAC events. Residents of Addison Reserve, they came to that community to be with their children's other grandparents to make vacation visiting easy and fun for their family. Their two sons, David and Jeffrey, are third generation in the family children's clothing manufacturing business and visit frequently from their homes in New York.

Herb and Sherry epitomize the Builder Award - always willing and able to help the Anshei Emuna community in a generous way. Mazel Tov to a committed couple whose actions speak louder than words.

Barbara and David Shabat Chesed Award

Barbara and David Shabat first arrived in Delray Beach as snowbirds in 2000 from Chicago and became full time Floridians in 2017. Barbara's

mother, Bette Weiser, had been a long time and active member of the Anshei Emuna community.

Barbara and David have continued this family tradition; they are both vibrant and active members of our Shul. Many events at the synagogue have their personal touch from culinary treats in the

kitchen to the renovation of our beautiful new north side lobby and facilities.

Their strong and deep relationships have attracted world renowned speakers like Dennis Prager to our congregation. David is a past president of the synagogue and now sits on the Executive Board. Barbara is one of our Sisterhood co-presidents and a member of our Congregational Board. Her energy and drive create event after successful Sisterhood event.

They are blessed with children, grandchildren and great grandchildren and manage fun visits to Israel, Illinois, Florida, New York, New Jersey and California. Their lives and deeds truly exemplify the Chesed Award at our Shul. Mazel Toy!

Rabbi and Rebbetzin Engel For 10 Years of Service to our Community

Miriam and Rabbi Jack came to Anshei Emuna in November 2008. Thus began the next phase of a rabbinic couple that served communities across the globe. From South Africa to Australia and on to New Zealand before settling in Mizner Preserve in Delray Beach to become part of the Anshei Emuna community.

They have three children (Aryeh, Avner and Na'ama) and six grandchildren. Benjie their son in law and Ainat their daughter in law round out the Engel clan.

Miriam is a passionate Jewish educator whose personality has drawn those who know her. She is dedicated to the shul and often can be seen giving classes to a full house as well as organizing and leading the Rosh Hashanah explanatory service. She has also created inspiring Bat Mitzvah programs.

Rabbi Jack's unique approach to the rabbinate has seen Anshei Emuna grow from

predominantly a Kings Point shul to a shul that serves the broader Delray Jewish community. He believes that our shul should be proud of its Orthodox values but be open and endearing to all who enter. He is as comfortable in the kitchen as he is giving lectures and strongly believes that nothing is below anyone's dignity if it's purpose is for the greater good.

Rabbi Jack can be found in Starbucks early every morning and enjoys the camaraderie and friendship of his communal friends. He strongly advocates for the shul and continuously tries to elevate its awareness in the broader Jewish community. His articles are refreshingly different and his philosophy on life is moderately liberal but in accordance with strict orthodox Jewish position.

Anshei Emuna is honored that the Engels continue to call this their home and bestow upon them this award for their 10 year anniversary. Mazel Tov!

Our hearlfelt appreciation to Anshei Emuna Congregation for bestowing upon us the Leadership Award.

It has been an honor to work for our precious shul and with Kashem's help, we will continue to dedicate our efforts to Anshei Emuna.

Sarah and Eric Gordon

Our synagoque is so blessed to have four very special honorees.

Herb & Sherry Rosenstock,

Dave & Barbara Shabat, Eric & Sarah Gordon

and Rabbi Jack & Rebbetzin Miriam Engel.

May Anshei Emuna continue to grow from generation to generation.
