A MESSAGE FROM

**RABBI ENGEL**

---

In the midst of sadness we must have joy. The war in Israel has inspired a unique closeness that Jews throughout the world now share. Listening to the melodious voice of Shulem helps transform us spiritually and raise our consciousness. We are no longer alone, we are an 'am echad' we are a nation blessed with vitality, strength and determination. Tonight, Shulem is piercing the heavenly gates and allowing our prayers to penetrate the loftiest of the celestial heights. Tonight, we beseech the Almighty to ensure that Israel is victorious and the people of Israel remain secure.

AM YISRAEL CHAI AND ENJOY,

*Rabbi Jack Engel*
