Summer Worship at Temple Emanuel

_Summer is just around the corner, and we are excited to share the details of several special music and worship opportunities coming in June, July and August!_

Friday, June 2 will be our first Shabbat evening service outside in our wonderful tent. We'll welcome our incredible Shabbat Unplugged Band as we kick off the summer with a vibrant and engaging musical service. As always, there will be ice cream for all following!

On **Friday, July 14 and Saturday, July 15** we are thrilled to welcome to Temple Emanuel for the first time an extraordinary musician, composer, rabbi, storyteller, and Jewish educator **Rabbi Noam Katz** as Scholar and Musician-in-Residence. Noam, who serves as Dean of Jewish Living at Toronto’s Leo Baeck Day School and URJ Camp George, is a popular and influential voice in contemporary Jewish music. His high-flying energy and soulful melodies are a part of the fabric of synagogues and summer camps across North America. Noam’s “Am-eh Yisrael Chai,” and “Oseh Shalom,” among others, are beloved favorites in our Temple Emanuel musical repertoire. Noam will be with us for Shabbat evening services accompanied by our Clergy and the Shabbat Unplugged Band, and for a lively concert performance following. Bring a picnic dinner and join us in the tent for an inspiring evening! On Saturday morning, Noam will teach Torah Study, and then lead our Shabbat morning Community Service along with Rabbi Black and Steve Brodsky.

On **Friday, August 18 and Saturday, August 19** we are excited to welcome the incomparable **Yoel Sykes** as Scholar and Musician-in-Residence. Yoel is a founding member of Nava Tehila, the Israeli band and musical collective that generates new prayer modalities, composes new music for worship, and creates innovative and engaging prayer experiences. Born and raised in Jerusalem but currently living in Boulder and studying Rabbinics in the ALEPH Ordination Program, Yoel is a master spiritual facilitator who creates intentional community through music and prayer. He will lead us in Shabbat evening worship, joined by our Clergy and the Shabbat Unplugged band, and following services will give what is sure to be a powerful and transformative concert performance. Friday, August 18 will also be our New Member Shabbat, where we honor and welcome all of those who have joined our congregation in the previous year. On Shabbat morning, Yoel will guide us in Torah Study, and join our Clergy for our Shabbat morning Community Service.

We look forward to seeing you for these special summer guests and events! Remember that all Shabbat evening services through June, July, August and September begin with our Pre-Oneg at 5:30 pm. Services start at 6:00 pm and will be held outside in the tent, except in cases of severe weather.

Happy summer!
Steve Brodsky

June 28th – July 26th, 7:00 – 8:30 p.m.

God and Politics with Dr. Elias Sacks

Does God have anything to do with politics, and does political life have anything to do with God? Is the Hebrew Bible a political text, and what authority should this source possess today? Does Judaism endorse values such as freedom and tolerance, and how should Jews relate to their non-Jewish neighbors? This class will explore diverse approaches to these questions, wrestling with accounts of religion and politics in ancient, medieval, and modern sources. Dr. Elias Sacks is the Director of the Jewish Publication Society. He has published widely on modern Jewish thought and has also played leadership roles in a wide range of efforts to elevate the voices of emerging scholars and promote conversations between academia and the broader public.

This class will be offered in-person and on zoom, and is $36 per person. Scholarships are available. Contact Francie Miran at miran@emanueldenver.org.

VALLEY BEIT MIDRASH CLASSES

July 24th, 11:00 a.m.

When was the Last Time you Invited God to a Social Get-together?

Our journey to come close to God is often sought out alone. Even when praying in a congregational quorum, each individual ties the words of prayer to their own private thoughts. In this class with Dr. Jonnie Schnytzer, we will learn of unique teachings which advocated genuine friendship as a prerequisite for God’s presence and asked about God’s role in a social get-together. For those wanting to discover new and perhaps unexpected ways that lead to the path of God, let’s go visit some of the most innovative and socially sensitive minds of early twentieth-century Poland.

August 3rd, 2:00 p.m.

Do the Hebrew Prophets Speak to You?

For many Jews, the prophets’ voices are only heard during worship if even there and then only in Hebrew. Even in English their words are a challenge. After studying the job qualifications and tasks of a prophet and learning when and why Judaism says that prophecy ended, we will use contemporary interpretations to better hear their ancient words which often feel challenging in both form and content. Reaching beyond, we will look at alternative prophet-like voices that can inspire us to realize the words of the haftarah blessing: toward holiness, rest, honor and glory. This class is led by Rabbi Barbara Symons.

Valley Beit Midrash classes are virtual and free for Temple members.
Financial Strength in Uncertain Times

Generally, in May, I talk about coming to the end of the fiscal year and the importance of making sure that our annual financial commitment is paid in full by the end of June. As we know, this is a challenging time for many. Although inflation is starting to come down, it is still higher than normal levels. We understand this and even in this moment of community concern, it’s worth noting that Temple Emanuel relies heavily on member support to sustain all of our efforts, including plans for our future. If you are in a position to make an additional gift to Temple, we would greatly appreciate it. Thank you for being part of this vibrant community.

I look forward to celebrating our 150th Anniversary next year with all of you, as we get closer to this monumental celebration of time. May we go from strength to strength.

– Steve Stark
