As you view this Book of Remembrance and participate in our virtual Yizkor Service, our Clergy Team - Rabbi Joseph R. Black, Cantor Elizabeth Sacks, Rabbi Emily Hyatt, and Cantorial Soloist Steve Brodsky; our Executive Director Steven Stark, and the entire professional team would like to say, "Welcome Home." We are pleased that you have chosen to be part of this Yizkor Service.

Temple Emanuel is the largest and oldest synagogue in the Rocky Mountain region, with approximately 2000 member households. We are a dynamic and inclusive Reform Jewish community with historic roots.

Together, as a sacred community, we strengthen and deepen Jewish journeys.

Our Jewish values provide us with the framework to build on the past, thrive in the present and innovate for future generations.

Together, we rejoice.

Together, we comfort.

Together, we pray.

Together, we learn.

Together, we repair the world.

Together, we seek God in our midst.

If after visiting us, you are interested in learning more about Temple Emanuel, contact Susan Chayet, Membership Engagement director at 303-388-4013 or chayet@emanueldenver.org.

This Book of Remembrance will be archived here on the Temple Emanuel website so you can view it in the future.

L'Shalom (in peace)

Joseph R. Black
Senior Rabbi

Few ceremonies in Jewish life have more spiritual power than the Yizkor, or Memorial Service. This is a time to remember our loved ones who have departed this world and entered the peace of eternity. At Yizkor, we give thanks for the precious souls that have been intertwined with our lives. We pay tribute to those who made the world better because they lived.

Remembrance has always played an important role in Judaism. It has linked the generations through time. It has kept our traditions alive and rooted us in our heritage. It has also given us hope in our darkest hours as we remember the courage and dedication of those who came before us. We inherit their legacy and we strive to pass it on to future generations.

Yizkor refers to the special prayer that begins, “God will remember”, signifying our faith that our loved ones will not, indeed must not, be forgotten, even as we pray that we will not be forsaken by the Divine Spirit of the universe. Historically, Yizkor began as a prayer for the martyrs of our people who perished during the First and Second Crusades in Germany. Eventually, this service became part of our ritual for remembering all our dear ones. Yizkor is not only recited during Yom Kippur, but also at the end of Sukkot, on Shemini Atzeret/Simchat Torah, on the last day of Pesach, and on Shavuot.

Hanna Senesh, an Israeli poet and heroic resistance fighter, wrote:

There are stars up above, so far away we only see their light long,
long after the star itself is gone. And so it is with people that we loved --
their memories keep shining ever brightly though their time with us is
done.

But the stars that light up the darkest night, these are the lights that
guide us.

As we live our days, these are the ways we remember.

Just as the light from distant stars has traveled countless years to reach us, so too the memory of our loved ones is preserved and carried forth through countless generations. The radiance of their memory nourishes us with the warmth of their love and the inspiration of their guidance. The memory of the departed helps us to know who we are and where we are going. We thank God for the gift of their lives and the blessings that they have bestowed upon us.

On Lighting a Yahrtzeit Candle For the First Time...

-Rabbi Joseph R. Black - November 11, 2011

*This glass jar
Should be filled with Jam —
Made from plums plucked from trees
Planted by those who never thought they'd taste
The fruit of their labors.*

*This candle
Should be saved for when the power goes out —
Bringing light to the darkness
Warming the hearts and souls of all who gather round its warmth*

*This match
Should be lighting firecrackers, pinwheels and whizzing gewgaws
Spreading delight in the eyes of children and those who love them.*

*These tears
Trace a path down my cheek
Etched in
Memories of eternity.*

Yitgadal V'yitkadasch

Psalm 23 Revisited

- Rabbi Joseph R. Black - July 2, 2019

Those who walk through the Valley of Shadows wear no shoes.
Their feet are cut and torn as they stumble through the darkness.
With no time to pack a bag or say goodbye, they begin their journeys unprepared.
Some are dressed in finery: jewels gleaming like stars in the dim light.
Others are in pajamas, work clothes, prayer shawls or bathing suits.
Some clutch briefcases, papers, blankets or teddy bears.
And everyone wears their grief.

With each cautious, painful step, they move further into the abyss.
The chasm narrows.

Stretching out their fingers they trace the grooves carved by previous pilgrims
- handholds hewn into the cold canyon walls.
Sometimes they march in silence.

Other times, singing hauntingly beautiful melodies, their voices echo to the very
 vaults
 of heaven.

The river that created this place does not flow from on high:
It was formed and filled by the tears of those whose bruised souls traversed the
 trail.

No one walks alone here:
Stumbling pilgrims are quickly caught and held aloft by those who travel beside
 them -
They are caressed and carried through the brambles and branches that, unexposed
 and
 hidden from sight, add to the chaos and confusion of the journey.

In time (for some) a light appears in the distance - piercing through the veil of
 darkness.

Hope - long buried, rises to the surface like a beacon
And with it, the weary marchers ascend to find a world that has been changed
 forever
 by their absence.

They return with pale faces and broken hearts.

But now, as experienced travelers,
they will always have a suitcase packed and ready.

“The food that I enjoyed and the shade I sat under were provided to me by those who came before me. As my ancestors planted for me, so do I plant for my children and my children’s children.”

Talmud Ta’anit 23a

Did you know that you can now make legacy gifts to protect the future of both Temple Emanuel and Shwayder Camp?

For five generations, Shwayder Camp has provided a place where Jewish values and traditions can flourish and grow. We now ask for your assistance to continue the Shwayder Magic. It's not just time to provide "A Summer to Build Your Life On" but to use your legacy to provide "A Lifetime of Summers."

Our legacy donors recognize the impact that Jewish camping has on adult participation in the Jewish community and, in actuality, the continuity of the Jewish people. They recognize the value of an immersive Jewish experience for our youth, young adults and themselves and want to ensure that continues for generations to come.

You can also support Temple Emanuel through your legacy plan. The very future of the Jewish people depends on the strength, vitality and the relevance of our synagogues. As we have been for 145 years, so shall we continue to be the heart and soul of our community.

The Live On Society honors those who have made a commitment to the future of Temple Emanuel with an legacy gift. These gifts will help ensure that our synagogue remains a vibrant, unifying force in our community.

All of us, regardless of age, wealth, or affiliation have the ability to leave a legacy. Your legacy gift can be customized to fit your lifestyle, family and financial interests. The most common method of leaving a legacy is through a will or estate plan, but you can make a beneficiary designation on a retirement fund or life insurance policy.

*Please contact Francie Miran at 303-388-4013, ext. 335 or
miran@emanueldenver.org if you are interested in making a
legacy gift to Temple Emanuel or Shwayder Camp.*
