

Congregation Beth Tikvah's annual Scotch Tasting event is a time honoured tradition that has been running since 2011. The event attracts hundreds of attendees for an evening of dinner, drink, fun and fundraising. This event is one of the primary fundraising activities for Congregation Beth Tikvah and relies on the generosity of sponsors for the ability and continuity to offer services that the community depends on. Congregation Beth Tikvah is in so many ways, the center of Jewish life in the West Island.
