our **Chatan Torah, Peter Shoiket** and **Gale, Alan, Aaron** and **Renee**. Thank you to **Rabbi** and **Rebbitzin Reich** for this great honor and to the entire Adat community for their friendship, encouragement and support during our journey to connect to our Jewish roots and to commit to an observant Jewish life. Mazel Tov to **Moises Eilemberg's** well deserved honor as **Chatan Bereshit**.

B'H we have tremendous Hakarat Hatov (gratitude) for the opportunity to live publically and privately as proud and frum Jews in such a blessed country as the United States.

May this incredible honor spur us to continue our Jewish learning and deepen our involvement in our beautiful shul.

AND BY

our **Chatan Bereshit, Moises Eilemberg**, and **Jennifer, Madi, Grant, Asher** and **Elie**, to celebrate such a special honor and to welcome **Moises's** mother, **Anita Eilemberg**, who is visiting from Israel.

We are deeply grateful for the Adat community, which for many years has been our family in San Diego. We are forever indebted to our Adat friends who have been there for us in our highs and lows, and with whom we've had the opportunity to celebrate many happy occasions and mourn in some less happy ones. We love this community and couldn't ask for a better place to raise our children. We are thankful to **Rabbi Jeff** and **Shoshie** for having built Adat, and are also very excited about its future under the leadership of **Rabbi Reich** and **Brooke** (and of course, our fantastic, phenomenal president, **Brian Marcus**). We wish a Mazel Tov to the **Chatan Torah, Peter Shoikhet**, for his well deserved honor and we wish the entire Adat Mishpacha a chag sameach and a healthy, peaceful, sweet and successful 5782. May we celebrate many more simchas together!
