

Kitah Gimel (3rd Grade) Learning Objectives for 2023-2024

Upon completion of the school year, the students will have mastered the following objectives:

Israel:

To complete the following lessons in the Israel curriculum and tell two facts related to the following units: People and Places and Culture.

Holidays:

To identify that *Rosh Chodesh* is the new moon and that the Hebrew calendar is a lunar calendar.

To identify components of the major *Chagim* (holidays) as identified in the Etgar Yesodi curriculum. To understand ways in which the holidays can be reflected through art.

To state their Hebrew date of birth and locate it on the Jewish calendar

Parsha:

To state components of the various weekly *parshiyot* in *Bereshit* (Book of Genesis).

Community/Lifecycle:

To name that consecration is the ceremony of receiving a *siddur*.

To become familiar with the Siddur Lev Shalem and use it to find a variety of designated prayers.

To become familiar with where certain prayers take place in the *Shabbat* morning or Friday evening service.

Mitzvot:

To name the mitzvot opportunities of giving *tzedakah*, the concept of *tikkun olam* and *maos chitim*.

To participate in the Project Based Learning experience of “How can I be my best self?”

Hebrew:

To master the letters of the Hebrew alphabet and vowels and name their corresponding sounds.

To decode blends of Hebrew letters and vowels and short words

To recognize the following site words: *Baruch, ata, Adonai, eloheinu, melech, haolam, Yisrael, shalom, Shabbat*

Tefillah:

To be able to chant the following *brachot* (blessings) and prayers:

Holiday *brachot*

Havdallah brachot

Ein Keloheinu
