

# Congregation Etz Chaim's Religious School

Kindergarten through 12th Grades

Positive experiences and love of Judaism are the foundation to creating a path of lifelong Jewish learning at Etz Chaim.

The goal for our students is to...

- Be a part of a *kehillah* (community)
- Incorporate Judaism in all they do
- Be comfortable in any synagogue
- Build a relationship with God

Our curriculum focuses on teaching...

- Hebrew decoding skills
- *Tefillah* (prayer)
- Love of Israel
- Holiday rituals and practices

Through our curriculum, the students will expand their knowledge from the previous year through learning opportunities that are:

✧ Engaging ✧ Interactive ✧ Inclusive ✧ Developmentally Appropriate ✧

**We strive to meet the needs of every student and all abilities.**

At Etz Chaim, family participation is significant to the success of our students. We encourage parents to join us for parallel learning and family workshops, as well as volunteer their time in our school.
