## Application for Financial Assistance

### *Religious School*

We at Temple Beth El are committed to supporting religious education for all of our members regardless of their income. Our religious school is self-supporting. Scholarships are made available through donations from members of Temple Beth El and others in the community. Participants pay proportionally based on their ability to pay. Limited scholarship assistance is available, based upon financial need, to families who are members of Temple Beth El prior to receiving their scholarship. An applicant is not guaranteed an award. The temple's Scholarship Committee reviews applications. All information remains confidential.
