This Hanukkah Season, Don't Let the Lights Go Out *The Need is Now*

Dear (Will show nicknames, e.g. Eileen & Larry)

This past year has been like no other. While the pandemic has brought a host of challenges to our lives, it has also reinforced the importance of staying connected with our CBS community. We're in it together.

Our congregation is a community, and even though we are not in the building, we are continuing lifelong learning, Mitzvah making, social club outings, festival planning... it's all still happening at Congregation B'nai Shalom. And the lights and heat are still running! So just like you, we still have to pay our mortgage/rent, utility bills, etc.

We've always relied on fundraising to balance our budget. Membership commitment and religious school tuition don't cover it all. Fundraising is always important to our community, and this year, our usual fundraising and other ways we get income just weren't possible. The need is critical for additional donations to keep the lights burning.

Fundraising enables us to include everyone in our entire community regardless of financial status. Now, it's more important than ever to come together as a community where we can support one another.

When you contribute to the temple, you're not only supporting us now, you're also making sure there's a vibrant Jewish community for years to come. By making a contribution this year you're helping to sustain a bright future for our Jewish community. Please go to www.cbnaishalom.org/appeal or complete the form below and send it to: Congregation B'nai Shalom, PO Box 1019, Westborough, MA 01581

Give today! We need your support right now. Let's keep it going together.

With gratitude,

Steven Goldstein
