The Need is Now

We've always relied on fundraising to balance our budget. Membership commitment and religious school tuition don't cover it all. Fundraising is always important to our community, and again this year, our usual fundraising and other ways we get income may not be possible due to the pandemic. The need is critical for additional donations to keep the lights burning.

Fundraising enables us to include everyone in our entire community regardless of financial status. Now, it's more important than ever to come together as a community where we can support one another.

When you contribute to the temple, you're not only supporting us now, you're also making sure there's a vibrant Jewish community for years to come. By making a contribution this year you're helping to sustain a bright future for our Jewish community. Please go to www.cbnaishalom.org/appeal or complete the form below and send it to: Congregation B'nai Shalom, PO Box 1019, Westborough, MA 01581

Give today! We need your support right now. Let's keep it going together.
