

Shalom Fellow Congregants –

We get it. You've been "sheltering in place" for the last week or so and it's getting to you. There are only so many walks you can take, and you've already completed your pre-Pesach cleaning. You miss your shul friends and are craving some social interaction. We are here to help.

As part of our Social Action Initiative, we are going to give you a way to interact with other members of the congregation. From now until the end of our "social/physical distancing" period, we are going to create a virtual "Coffee Klatch" to let you see and speak to other congregation members. Every Tuesday and Thursday from 10:00AM until 11:00AM we'll open our Zoom account just for that purpose. This will use the same login ID that we use for our very successful daily minyanim, our Erev Shabbat service and Motzei Shabbat Havdalah.

Below you will find instructions on how to set up the Zoom software on the device of your choice. It will work on PC, MAC, Tablets and Phones, preferably with a camera so we can see everyone who attends.

Please follow these instructions for our shul-wide ZOOM connection. We look forward to staying in touch and maintaining our contact with all of you:

(note – "meeting" below could mean minyan, class or other communication.)

#### ONE-TIME SETUP:

1. Go to <https://zoom.us> on a device that has a webcam – preferably a laptop, but a cell phone or tablet works too.
2. Create an account. Click SIGN UP, IT'S FREE. If you have a Google or Facebook account, leave the email address blank and click "Sign in with Google" or "Sign in with

- Facebook." Alternatively, you can create an account using an email address and password.
3. Download the ZOOM Cloud Meetings app. You'll need to download the app. You cannot join from a web browser.
  4. Open the app and sign in. Use the same Google/Facebook account or email/password you used to sign up.
  5. If you're planning to use a headset or headphones, test them now. Make sure the audio input and output are set correctly. Go to <https://zoom.us/test>.

### TO JOIN THE PROGRAM OR MEETING:

Click the following link to join:

<https://zoom.us/j/4314274884?pwd=WkVKbDB4NTRjb0JsQXpaRVluUUU0dz09>

1. . You can also open the Zoom application, click Join Meeting, and enter the following Meeting ID: 431-427-4884 (This is not a phone number.) The password is 885148.
2. Call using Internet Audio. You will also see an option to dial in. We recommend you use Internet Audio as the sound quality is much better than when you dial in by phone.
3. Be sure to give the app permission to use your microphone and camera.

### DURING THE MEETING:

1. Turn on video. We really do want to see you!
2. Mute yourself when not talking. Click the microphone button to mute or un-mute. The host has the ability to mute or unmute individuals or the group. Please be mindful that too many people speaking at the same time makes it difficult for everyone to hear.
3. Find the icon that says 'Gallery View' and click on it. This allows you to see the others on the call, not just you and the current speaker. You can scroll left and right to see everyone.

We look forward to seeing you soon.

Dr. Steve Iskowitz      Sapir Roth  
Social Action Committee Co-Chairs
