We have also updated our mask policy:

Temple Beth Am COVID-19 Mask Policy as of 6-21-2021:

You do not need to wear a mask if:

- You have been fully vaccinated
- You have recovered from COVID-19
- You have been informed by your physician that you are adequately protected from COVID-19 and you are not a source of COVID-19.

All others are asked to wear a mask for their own safety and for the safety of our fellow congregants, or for your own comfort. If you are medically compromised for any reason and/or feel uncomfortable attending temple functions in person, COVID-19 notwithstanding, please remember our virtual services are still available. If you see someone wearing a mask, please allow proper spacing when speaking to them as not to make that person uncomfortable. Vented masks or

neck gaiters are not acceptable. We do ask that if you are not feeling well you do not come to the Temple building.

We will also continue to stream our Shabbat and Yom Tov services.
