**Every Day Is A Winding Road: Creating a Path to Professional
Achievement and Personal Satisfaction**

Presenter: Stacey J. Rappaport

We're excited to have Stacey J. Rappaport, Barnert member and Partner at Milbank, Tweed, Hadley & McCloy LLP, one of the world's leading law firms, as our special speaker for this kickoff event. In July 2018, Stacey was elected to Milbank's five-person Global Executive Committee, becoming the first woman in the firm's 150+-year history to hold this position. Over her 22-year career, Stacey has served on numerous committees and non-profit boards dedicated to the advancement of women in the legal profession. Through her pro bono work and board service, she has also advocated for victims of domestic violence, sex trafficking, cyber abuse, and other gender-related violence.
