

Do You Have a Child Attending College This Fall?

We want to make sure your child stays connected to our Barnert family and knows we are thinking of them while they are away.

Complete the form below and the Sisterhood will send three small care packages, during the High Holidays, Chanukah and Purim, to your college student. **We update our list every year, so please submit a separate form for each child, even if s/he was on our list last year.**

If you have a grandchild, niece/nephew, friend or other relative attending college and wish to have packages sent from our Sisterhood, a \$36 donation is requested to help cover the costs of this program.

- All College Connection Requests Must be Received by September 18 -

Questions? Contact Rikki Lowy at lowyland@msn.com.
