## Promise Program

Rather than a one-size-fits-all dues system with a fixed price per household, we ask each member unit to make their own annual financial commitment, also known as their promise. It is that simple. Our members sustain the community with an annual promise that they themselves determine. By doing this, no one is prevented from joining the community because they cannot afford it.

### Voluntary level? Really?

Yes, really. You have to make a promise, but the amount is solely up to you. Your promise is confidential. We only ask you to take into account the importance and cost of maintaining our shared and sacred community. What is it worth to cultivate the next generation of Jews? What is the value of a place where we can support each other in times of need and also celebrate each other's simchas (happy occasions)?

### How does it work?

You make a promise each year that covers your membership until June 30th (the end of our fiscal year). All members renew each year by making a new promise during our annual spring Promise Program campaign.

### How much should I pledge?

The amount is entirely up to you. However, it's important to consider that it costs approximately \$2,000 per member unit to fully fund the synagogue for a year. Some can give a lot and some may not be able to, but together we can support each other and our community. Our annual budget is based on our projected sustaining share income.

### Support the Community!

Anyone can be part of the community at any level of financial means. All we ask is that you make a promise of your own choosing. Together we can support each other and build the community.

If you would like to join our wonderful community or if you have any additional questions, please contact our Membership Team at [membership@templebethahm.org](mailto:membership@templebethahm.org), check out our website at [www.TempleBethAhm.org](http://www.TempleBethAhm.org) or call our office at 732-583-1700.
