Interfaith Commemoration of International Holocaust Remembrance Day at TBTST

Last January 29th we had a very important program at TBTST. I am referring to International Holocaust Remembrance Day. I wanted to review that event and give you some context to it as well.

The United Nations General Assembly designated January 27—the anniversary of the liberation of Auschwitz-Birkenau—as International Holocaust Remembrance Day, a time to remember the six million Jewish victims of the Holocaust and the millions of other victims of Nazi persecution. It is a day for the world, not only the Jewish people, to remember the horrors of the Holocaust and honor its victims.

This day must not be confused with Yom Hashoah, which is observed the 27th day of Nisan on the Hebrew calendar and marks the anniversary of the Warsaw Ghetto Uprising. Yom Hashoah has been observed since the 1950s as a national holiday in Israel, and Jewish communities around the world commemorate this day as well. As a Jewish congregation, we will continue observing Yom Hashoah, independently of International Holocaust Remembrance Day.

Since International Holocaust Remembrance Day is a day of remembrance for the world, Rabbi Daniela and I wanted to involve our non-Jewish neighbors in this commemoration. That is why we designed a commemoration in the form of an interfaith event, so people of different faiths can learn about the Holocaust and its lessons. And since we wanted this to be a community event, we also invited the leaders of the City of Tamarac to attend and join us in organizing this event. In addition, we joined Steve Siegel in making this event a part of the annual calendar of Kulanu events. Kulanu is an eight-month program, kicking off annually after the High Holidays, dedicated to empowering congregations to address antisemitism and hate in their communities through education, community engagement, and advocacy.

The result of all these efforts was a wonderful evening of community remembrance. We had Mayor Michelle J. Gomez, Commissioner Marlon D. Bolton (District 1), Vice Mayor Morey Wright (District 2), Commissioner Elvin Villalobos (District 3), and Commissioner Kicia Daniel (District 4) in attendance, together with Jemeriah Cooper, Captain of BSO Tamarac District and other police officers.

The speakers for the event were Mayor Gomez, Pastor Bob di Scipio (Hope for All Nations Church), Pastor Bill Davis (Community Christian Church), Pastor Joseph Kim (South Florida Global Methodist Church), and Rabbis Daniela Szuster and Rami Pavolotzky (Temple Beth Torah Sha'aray Tzedek). In addition, a young person from each house of worship read a poem about the Holocaust, and lit a memorial candle together, after listening to Cantor Kramarow's interpretation of the song Eli, Eli.

Since we wanted this to be a community event, we encouraged the pastors to invite their congregants to come. As a result, we had a very nice turnout that represented the different churches, in addition to TBTST. Finally, after the formal program ended, a dessert reception, sponsored by Mayor Michelle Gomez, was served in the social hall, giving everyone an opportunity to mingle and have a good time of camaraderie together.

We think this is an excellent program, because it allows us to educate the community about the Holocaust, provides a platform for people of different faiths to remember the Holocaust together, provides a good opportunity for establishing friendly and working relationships with other houses of worship and their congregants, and gives our Temple a good opportunity for visibility in the community. We hope we can make this event a yearly commemoration, and we also hope to have even more religious leaders and congregants attending in the coming years.

Cantor's Message

Cantor Jenna Kramarow

Cantor@TBTST.org

Purim is one of the jolliest times of the year. It is celebrated every year on the 14th of the Hebrew month of Adar (late winter/early spring). It commemorates the salvation of the Jewish people in ancient Persia from Haman's plot "to destroy, kill, and annihilate all the Jews, young and old, infants and women, in a single day."

Those of you who attend Saturday evening services regularly, know that when I lead, I like to play Jewish jeopardy. So here I will pose a few of my Jewish jeopardy Purim questions with all the answers below.

1. What is the etymology of the word "Purim"?
2. Why do we fast the day before Purim?
3. Why do we masquerade on Purim?
4. What is Purim Torah?
5. Who was thwarted in the 1950s on Purim?
6. What war in the 20th century ended on Purim?

Answers:

1. Purim is a Persian word. Purim means "lots" in ancient Persian. The holiday was thus named since the evil Haman had thrown lots to determine when he would carry out his diabolical scheme.
2. It commemorates Esther's fasting and praying to G d that He save His people.
3. Many say that we are concealing ourselves behind a costume reflects the way G d operated behind a cloak of natural events.
4. It is a humorous and satirical comments in the learned style of Talmudic halakhic comments customarily read, recited from memory, or authored on or for the Jewish holiday of Purim.
5. In the early 1950s, Joseph Stalin, the ruthless butcher of millions of innocent people, had bloody plans for dealing with the "Jewish problem" in the U.S.S.R. Just as things were reaching a crisis point in 1953, he suddenly fell ill and died. His illness began . . . on Purim!
6. In 1990, Saddam Hussein of Iraq defiantly invaded nearby Kuwait. As pressure ramped up from the international community, his army began firing missiles into Israel. After the U.S.-led forces attacked Iraq, they were quickly victorious, and the hostilities ended . . . on Purim!

IN PERSON SUNDAY and TUESDAY MORNING MINYANS ARE BACK!

Join us in person on Sunday mornings at 8:30am, Tuesday mornings at 7:45am and Tuesday evenings at 6:00pm. These minyans will be hybrid and we will broadcast on Zoom as well. Hope to see you in person at the synagogue!

Dear TBTST family,
Shalom and greetings to all our members! On Monday January 29th we hosted an Interfaith program remembering Holocaust Awareness Day. We had three Pastors along with members from their congregations attending. It was a very moving program. As we step into the months of February and March, we are excited to share some important events happening within our synagogue. February brought our Casino Night to the Shul on Saturday, February 10th. The evening began at 7:30 and it was an amazing night. In March we celebrate Purim. Look for information about our programs soon. As an FYI, on April 7th, Cantor Kramarow will have her annual concert. Look for more information soon.

We are grateful for the support and dedication of our volunteers. If you have an interest in contributing your time and skills to our synagogue community, please let us know. There are various opportunities available, and your involvement is greatly valued. Look for a list of our committees on our web page soon.

Join us every Friday evening and Saturday morning for our Shabbat services. We continue to have services in-person and virtually to create a sense of togetherness and spiritual connection. Check our website or contact the office for the latest details on service times and formats. Stay connected with the latest updates through our weekly newsletters, social media, and our website. Look to our website or call the office for additional information.

As we continue into the year, let us continue to strengthen the bonds that make our synagogue a second home for each one of us. May these months be filled with blessings and joy for all.

The Power of “Hello”

In an era marked by evolving threats and unforeseen challenges, ensuring the safety and security of TBTST members and staff has become an increasingly pressing priority. While physical security measures play a crucial role in protecting congregants and facilities, the importance of continuous safety and security training cannot be overstated. By equipping TBTST staff with the knowledge, skills, and preparedness to respond effectively to emergencies, ongoing training initiatives serve as a vital investment in safeguarding lives and fostering resilience.

One major takeaway from a recent training that TBTST Staff were a part of was the power of “Hello”, one word can have a significant impact in more ways than one.

You can contribute greatly to enhancing security by understanding how to identify behavioral indicators and taking precautionary actions. Used effectively, the right words can be a powerful tool. Simply saying, “hello” can prompt a casual conversation with a new person, providing an opportunity to observe and establish a connection. Saying “hello” is an expression of acknowledgment and respect. It signifies recognizing the presence of fellow congregants, irrespective of their age, background, or status within the community. In a world often marked by anonymity and isolation, this simple act reaffirms each individual’s inherent worth and contributes to the nurturing of mutual respect and understanding within the congregation.

Additionally, the act of saying “hello” embodies the values of hospitality and kindness deeply rooted in Jewish tradition. Welcoming guests, known as “hachnasat orchim,” is considered a sacred duty, emphasizing the importance of extending warmth and generosity to all who enter the synagogue’s doors. By embracing this age-old custom, synagogue members not only honor their faith but also create an atmosphere of warmth and acceptance that resonates with both newcomers and longtime attendees alike.

So, next time you enter TBTST, remember the power of “hello”—for it is in these small gestures that the true essence of community thrives make sure to stop by and say “hello” to me.

B’Shalom,

Erica Bouldin

Happy 2024!

At the beginning of 2024, we made some changes to our Shark Youth Group Program. I am happy to announce that all Religious School families are now able to join us for activities at no additional cost! This is an effort to gain more members and we have already increased our membership in several grade levels.

We had some great programs over the past 2 months which included a movie night, a yoga night, playing mini golf, spending time in the park with friends, and getting to know each other with a fun game of a Florida Snowball Fight. We also came together for a sight-seeing and taste-testing adventure around Israel which was a great hit!

Coming up, we will have a game of crab soccer using inflatable beach balls. We also will get ready for Purim with an arts and crafts day which will include making our own noise makers, masks, and creating a game to be played at the Purim Carnival on March 17. We will end the month with more of an artsy, messy afternoon when we explore a graffiti bar to make our own expressive creations.

After a short pause in programming due to Spring Break, we will come back together for more exciting events in April. During this month we put our knowledge and detective skills to the test in a scavenger hunt around the building. We will have a glow dance party with bright colors and awesome music and end the month with a calmer night of board game fun.

Take a look at the attached upcoming events flyer for dates for programs. There will be emails sent with more specific information for programs as they get closer to the dates.

We are always looking for more friends to join us in youth group. If you have any questions regarding membership please reach out to me via email at tbtstsharks@gmail.com. We hope to see you in our Shark Tank real soon!

CASINO NIGHT EVENT

On Saturday night, February 10th, the temple was transformed into a Mardi Gras themed Casino night. Over 80 people spent the night gambling, drinking, eating sumptuous desserts, and just mingling. Glenda Sandhouse and Amy Weinberg, event co-chairs, along with their committee Caryn Dubrow, Barbara Eisensmith, Beth Leitner, Marilynn Levine, Valerie Preston, Samantha Rosier and Nancy Small presented an evening that was fun for all.

This night was also a financial success for the temple. Our sponsors ensured that this night was not only a great social event, but provided much needed funds for the Temple. Many thanks to our Mardi Gras sponsors Steve & Amy Weinberg, Dessert Sponsors Jay & Glenda Sandhouse, Bar sponsors Arnie Semel & Elise Leonard, Mitch & Nancy Small, Stew & Sherry Klawsky, Alan Paley, and Alan & Caryn Dubrow, Decorations sponsor Scott Kerniss, Gaming Table sponsors Nat & Marilynn Levine, Bruce & Joanna Berkowitz, Helene Herman, Danny & Jody Glass, TBTST Men's Club, Jeff & Barbara Eisensmith and Valerie Preston, Mask sponsors Samantha Rosier, Alan & Barbara Miller and Sisterhood, and Beads sponsors Alex & Norma Freimark, Sidney & Roberta Randel, Barry & Jacqui Montag, Joshua & Rachel Dubrow and Sisterhood. Thanks also for all the contributions made from our Amazon registry which were used for the raffle gift baskets at the end of the night.

Our Temple cannot be a success without you. If you did not join us for this great event, you were missed. Plan to join us for our next event, the Cantor's Concert on Sunday, April 7.

As you can see....there were some very serious gamblers....and food!!

Early Childhood News

Ronit Goldstein, Early Childhood Director

preschool@TBTST.org

“And Moses said unto God: ‘Oh God, I am not a man of words, neither heretofore, nor since Thou hast spoken unto Thy servant; for I am slow of speech, and of a slow tongue.”
(Exodus 4:10)

Why is the power of speech such a fundamental value in Jewish culture? We learn that at the beginning, God used spoken words to create the world. God provided us with the understanding that spoken words are a powerful tool. A tool that leads to a change.

In the story of Passover, God provides Moses with a revolutionary task – to lead our nation from slavery to freedom. Initially, God arms Moses with only one tool – spoken words.

God trusts Moses’ ability to negotiate with Pharaoh, as well as prepare the Israelites for a life-changing journey. However, aware of his own disabilities, Moses did not believe in his power to create this change and therefore argued with God. As a result, God appointed Aaron, Moses’ older brother, to speak on Moses’ behalf. Can it be that in the process of passing the words from God to Moses and from Moses to Aaron, somehow along the way, the spoken words lost their power? We are all familiar with the children’s game “Telephone” when the first child whispers a word in his friend’s ear and at the end of the game, the last child tells out aloud the word that he heard, which is in most times not the initial spoken word. Was that the reason that Pharaoh refused to listen and only after the tenth plaque did he agree to let the people go, only to change his mind? Is this the reason for the Israelites’ constant doubts and insecurity? Well, your guess will probably be as good as mine. Did God compromise his goal in his attempt to help Moses complete his task? Did Aaron’s role helped Moses overcome his fear, or did it contribute to Moses’ insecurity? How can we, as parents, help our children to have confidence in themselves? How can we help our children succeed considering obstacles they may face? As parents, we very quickly learn that there is no “magic formula.” As parents we can only hope and pray that we are doing the “right thing” and provide our children with the confidence and tools to follow their dreams, face obstacles that come along, and live their lives the way we hope they will.

Religious School News

Karen Susman, Religious School Director

hcurriculum@TBTST.org

Our Religious School at TBTST has been very busy learning about our Hebrew letters, Prayers, Torah (weekly portions), and so much more.

On Sunday, February 4th we had our Family Education Day with the theme of Torah. Each family was given a portion from the book of Genesis, to interpret and draw their interpretation. The drawings were then attached, and we made our own Torah (see the pictures).

Sunday, February 11th we participated in the World Wide Wrap along with the Men's Club. The students learned about the history of T'fillin, saw the prayers inside, and had the opportunity to put on T'fillin. It was the first time that most of them had seen T'fillin. Thank you to the Brotherhood and Rabbi Rami, who helped us put on the T'fillin and Brotherhood who provided us with a Pancake Breakfast (see the pictures).

We have been busy learning our prayers, and the younger students are learning to read and write their alef-bet. We are so happy that Cantor Jenna came back in January to help us with our prayers also. We painted rocks to help beautify our garden, had a Tu B'Shevat Seder and planted parsley, which is currently growing.

Our Religious School continues to talk and pray about Israel and what is happening there. Karen Susman's son, Bryan, came into our Tuesday night class and told us what it is like to live in Jerusalem. He answered all our questions, and posed some other questions for the students to think about. It was a very interesting conversation!

We continue to visit with our sister city, Neshet in Israel via Zoom.

Sisterhood

Jacqueline Montag, Sisterhood President

sisterhood@TBTST.org

We continue to enjoy a busy and fun-filled year in Sisterhood. Our January 21 class taught by Rabbi Daniela, followed by a visit to a Mikveh, was a true educational experience. We all enjoyed learning about Mikveh and then were graciously hosted for lunch by Caryn Dubrow.

By the time you read this we would have already met for our Book Club; enhanced even more because the author of "My Jewish Year", Abigail Pogrebin, was on the call with us.

We had a lovely dinner meeting on Jan. 30 with Julia Loeb, the International President of Women's League. It was so nice to meet her in person and share a meal and information. We were joined by members of Sisterhoods from two other synagogues.

Sisterhood Shabbat was held on February 9 and 10 with many of our sisters participating and running both services. It was wonderful to have our services led by our members, including everyone wishing to have a part. Our fabulous Fashion Show will be on May 5; and we are busily planning this event.

We welcome potential new members to join us and find out firsthand how much you can get out of being a part of our amazing Sisterhood.

B'Shalom,
Jacqui Montag

Men's Club

Larry Gerson, President

mensclub@TBTST.org

The Men's Club would like to thank everyone who supported our events in January and February. In January we had our Bowling event at Strikers Sports Center. A great time was had by all that participated and we raised some needed money for our youth groups as well. In February, along with help from Rabbi Daniela and Rabbi Rami, the Minyanaires and the Youth of our Synagogue, we participated in the FJMC World Wide Wrap. Rabbi Rami explained the meaning of Tefillin and taught those who participated how to wrap the Tefillin and how to wear the headpiece. Afterwards the Men's Club prepared over 80 pancakes for breakfast. Thanks to

all that helped make this a great event.

Upcoming events, March 17th we have the TBTST Purim Carnival, other upcoming events for the Men's Club will be our "Monster Golf" event at Monster Mini Golf on University Drive, March 21 at 7:00 pm. Details to follow. Once again this year we will be sending out the Yom HaShoah Yellow Candles. This is a major fund-raiser for The Men's Club and we appreciate your participation.

The Men's Club meets every third Thursday in the Synagogue. Meeting starts at 7:00 pm. Every Men's Club member is invited to attend.

WORLD WIDE WRAP

Educating the Youth of TBTST

A Federation of Jewish Men's Club Program

On Sunday, February 11, 2024, the TBTST Men's Club, in conjunction with the Federation of Jewish Men's Club program participated in the World Wide Wrap event. With the help of Rabbi Rami, the Minyanaires and Men's Club members, the youth of our Synagogue were taught how to wrap Tefillin and the meaning of why we wrap Tefillin. After the service members of the Men's Club prepared and served a Pancake breakfast.

Create A Jewish Legacy at TBTST

Creating your own Jewish legacy ensures your passions and the Jewish values you cherish will continue beyond your lifetime. Learn how the Life & Legacy program makes it easy and affordable to preserve and strengthen programs and organizations YOU care about that support Jewish life today and for generations to come – and potentially enjoy tax benefits.

Expressing Your Intent

It's easy to create your own personal legacy. Start by signing a simple letter of intent, a non-binding promise to leave a gift in the future to the organization(s) of your choice. With a legacy gift you can still take care of your family while also leaving something to preserve the programs and organizations that you care about. Most legacy gifts are simple designations in a will, retirement account or life insurance policy. Consult your financial adviser regarding these or other planned gifts.

Confirming Your Gift

Legacy gifts have increasingly become part of future planning when individuals and families meet with their financial, insurance and legal advisers. Temple Beth Torah Sha'aray Tzedek and participating organizations in The Life & Legacy program can help facilitate your philanthropic planning by offering access to investment options such as gift annuities and donor advised funds. Let us know if you have already worked with a financial adviser to include supporting them in your plans. If you designate one of the Life & Legacy participating organizations, they may earn an additional financial incentive.

There are many ways, including making a bequest in a will or trust; naming the organization of your choice as a beneficiary of a life insurance policy, IRA, or pension fund; giving a gift of cash or assets; setting up a charitable gift annuity or charitable remainder trust. Please consult your professional adviser to determine which method of giving is best for you.

Be remembered forever by Temple Beth Torah Sha'aray Tzedek..... Create a Legacy gift in your will, trust, retirement account or life insurance policy..... ask me how! Call Erica Bouldin for more informaton.

Paying by Venmo - please email Laurie Workman with your RSVP – Ellebw62@outlook.com

We would like to introduce you to a new payment method TBTST now offers. Venmo is an easy way to remit your payment to TBTST without paying fees. Should you choose this method of payment, here are the instructions to get started.

How to Sign Up and Use Venmo

1. Go to the app store on your Smart Phone, search for Venmo and download the app for Apple or Android (**Venmo** does not have a Windows app)

2. Open the **Venmo** app.

3. Create your account using your name, email address and cell phone number. Create a secure password (between 8 and 32 characters long). A code will be sent to your phone. Enter the code in the Venmo app.

4. Verify your phone number and email address. Add your bank account. Venmo will explain how your bank account will be verified.

NOTE: You can enter a credit card into your Venmo account. **However, Venmo will charge a fee if you pay us using a credit card.** If you use your bank account, there will be **no fee** and it is the same as writing a check.

5. You will want to adjust the Privacy Settings on your app so that no one can see your transactions. Look for the 3 parallel lines in the upper right corner of the app. Touch that to open the main menu. Touch Settings, then touch Privacy. Finally, change the default settings to Private.

6. Once this is done you can start to use your Venmo account to pay TBTST.

7. To make a payment on your app find the **Pay or Request** button on the home page.

The button will either look like this:

or it will look like a pencil and a square.

8. Type in **Venmo@tbtst.org** (the “V” in Venmo must be capitalized) in the box that appears. Put in the dollar amount you would like to pay. Please do not forget to fill in the “What’s it for?” box so we will know the purpose of your payment. Press the pay button. Look at the bottom of the screen and click Pay Temple Beth Torah Sha’aray Tzedek. **You must do this last step, or the transaction will not be completed.**

9. Once you have made a payment to TBTST, you will not have to enter the recipient again. Just look at the list of Top People and you should see Temple Beth Torah Sha’aray Tzedek. Click on that and you’re ready to pay.

If you need help with these instructions, please call the office and we will be happy to help 954-721-7660 ex 131

Tree of Life

The tree has always been a symbol of life and strength in the Jewish tradition. The parts of the tree depend upon one another just as those in need in our community depend upon Temple Beth Torah Sha'aray Tzedek for help and support.

In the same manner, Temple Beth Torah Sha'aray Tzedek depends upon the generosity of our community to enable us to continue to provide that support. The Tree of Life is the perfect symbol to allow us to recognize the generous donors who, in turn, help us to continue providing necessary services to our community.

Consider honoring a friend or relative's birthday, Bar/Bat Mitzvah, anniversary, etc. or using this as a memorial gift. By purchasing a leaf for the Tree of Life, you will not only be helping the Tree to grow,

but you will also be helping TBTST to grow, now and in the future.

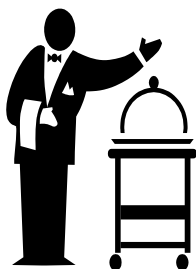

There are gold, silver and bronze leaves available at a price of \$180.

If you are interested in supporting TBTST, please contact our office and we will gladly assist you. You can also email frontdesk@tbtst.org or make your donation online at www.tbtst.org.

Thank you for your donation.

CONSIDER TBTST FOR YOUR NEXT SIMCHA

Yahrzeit is a Yiddish word, which literally means "time of year" or memorial. Jews of Ashkenazi descent use this term. Sephardim call this commemoration nahala, in Ladino. This custom is widely observed and based on the Jewish tradition of commemorating the death of a relative.

All the Yahrzeit rituals are deeply ingrained in the Jewish life. The common rituals that are performed in the honorable memory of the departed soul include reciting the Kaddish prayer and lighting a Yahrzeit candle.

Yahrzeit also includes the action of donating charity in memory of a deceased loved one. Through the performance of the mitzvah of tzedakah in the name of the departed, the merit of the deed is shared with the soul of the late relative, as their memory is enhanced

Yahzreits

One of the most beautiful and meaningful customs of the Jewish people is remembering those we have lost by memorializing our beloved through acts of Tzedakah and by saying Kaddish. The following Yahrzeits will be acknowledged and Kaddish will be said during Shabbat Services on the dates below.

I'll Treat You Like Family

Choosing a doctor to trust with the care of your eyes, your precious sight, can be a difficult decision. You want someone board-certified, professional and experienced. But you also want a doctor who will take the time to listen to you, explain things and treat you with kindness and respect.

I have been in practice since 1982, caring for patients with a personal touch. Whether it's an eye exam or surgery, you'll get the best I have to give. You'll be treated the way you know you should be. Like family.

PRAYERS FOR THE SICK

If a relative or friend is suffering from an illness, perhaps you would like to recite a special prayer for the speedy recovery of the ailing person. Traditionally, the Hebrew name of the sick person and the Hebrew name of the sick person's mother are mentioned during the prayer. It would be helpful if you would provide us with this information when you make your request.

Prayers for the recovery of the sick are customarily accompanied by a gift to a deserving charity. The merit of this kind deed arouses God's mercy and His powers of healing. Although any amount is deemed appropriate on such an occasion, a gift of CHAI - \$18 - or multiples of 18 - is particularly fitting when pleading for a person's recovery from sickness.

CHAI in Hebrew means life. The two Hebrew letters which constitute the word - CHET and YUD - have the numerical equivalents of eight and ten respectively, together yielding the sum of eighteen. For this reason it has become a custom to give charity in the amount of CHAI when praying for the well-being of a suffering person.

Enclosed please find a contribution in the sum of \$ _____

Please make a Misheberach (Prayer for the recovery) for:

Name (English) _____

(Hebrew) _____ Mother's Name (Hebrew) _____

Become an important part of TBTST's Social Action Committee's Mazon Project

The WECARE community outreach program operates a food pantry that provides over 3,500 bags of groceries each year to our neighbors in need regardless of race, religion, age, gender or nationality. We could not accomplish this important mitzvah if not for the generous donations we receive year round from caring individuals, organizations, schools, synagogues and businesses in our community. Thanks to United Way of Broward County, we are also able to distribute fresh produce to needy people through Project Lifeline.

Donations are greatly needed and appreciated to keep our shelves stocked so we can help the many men, women and children needing our services throughout the year. Currently, WECARE provides enough free non-perishable food and fresh produce to prepare over 65,000 meals for our neighbors in need.

WECARE also collects small toiletry items, provides free medical equipment loans including wheelchairs, walkers and canes, distributes hand-knitted items to nursing home residents, and collects eyeglasses and hearing aids that are sent to New Eyes for the Needy. Donations of toiletry items and medical equipment are very much appreciated.

Facts about Hunger in Broward County

According to Million Meals Committee, there are 19 active food pantries in Broward County inclusive of the Soref JCC WECARE Food Pantry, and 4 active food banks. The Broward Regional Health Planning Council, Inc., Food Security Survey Report notes that 44% of all students enrolled in Broward County elementary schools qualify for free and reduced lunches. 15% of 56,873 Broward children live in poverty.

TEMPLE BETH TORAH SHA'ARAY TZEDEK MISSION STATEMENT

Temple Beth Torah Sha'aray Tzedek is a circle of friends anchored in the values of egalitarian, Conservative Judaism.

We want to expand our circle by attracting all Jews, young and old, families and singles, to a warm and welcoming congregation of friends. We are here to pray together, to play together, to learn together, and to be there for each other as we face the joys and difficulties of our lives.
