October 27, 2023

Dear President Biden,

On behalf of the members and Board of Directors of Seaside Jewish Community, we write to express our profound appreciation for your heartfelt and powerful support for Israel and the Jewish people after the brutal and inhumane attacks by Hamas. Your words, matched by your deeds, show the world the true meaning of moral clarity and international leadership.

Your humanity is evident in the caring and kind way that you spoke to the families of those taken hostage by Hamas and the insightful way you addressed the hearts of all Jewish people, understanding our history and pain. You are both a world leader and what we call in Jewish tradition, a "mensch," a truly compassionate human being.

We are deeply grateful for your support of Israel and the Jewish community. We also appreciate your concern for the humanitarian needs of ordinary people in Gaza, and your dedication to pursuing a long-term solution to the Israeli-Palestinian conflict. Where others have failed, we hope you will succeed.

Seaside Jewish Community is the only synagogue in Rehoboth Beach and we are honored that you're our neighbor. You have an open invitation to visit our growing and thriving congregation whenever you're in town!

With deep appreciation and hopes for peace,

Julie H. Danan
Rabbi Julie Hilton Danan
