

College Connection - 2023-24

Temple Beth Sholom strives to create strong, long-lasting relationships with its students, even after they have graduated from high school and are pursuing higher education. Help your college student feel connected to TBS by having the synagogue send care packages for the holidays. Packages will be shipped in the fall, around the High Holy Days, and a second package in the spring.

Even if your child has received packages in the past, please fill out the form below (one per student) so we can update our information. We will assume the student will be at the address listed from September-May unless otherwise indicated. Historically, there has been a charge for these packages, but we are grateful to be able to send these packages **FREE OF CHARGE** this year thanks to the generosity of the Shapiro Family Fund.

For more information about ***College Connection*** contact **Sara Kreisman** at rrpressinc@gmail.com or 856-383-5050.

Please fill out and return to receive holiday packages – Deadline September 1, 2023
