

These last three days have been terribly difficult for all of us with a love of Israel and a love of humanity. The barbarous attacks by the terrorist group Hamas have been devastating. This is a moment when we need all people of good conscience to stand with Israel, stand against evil, and stand against hate.

To that end, we want to put the resources below in front of you to take action. Please share widely with those in your networks who are looking for ways to support Israel during this critical moment.

Thank you for joining ADL as we stand united with Israel.
