

TEMPLE BETH EMETH

A family. A congregation. A warm + welcoming community.

As the largest synagogue in Ann Arbor, we are honored to nurture over 560 households in our community in which all who show up feel warmly welcomed, accepted, and comfortable. Our culture sparks inquiry, wonder, discovery, and growth.

The TBE lifestyle:

- Family oriented
- Promotes spiritual growth
- Fosters inclusion, acceptance and belonging
- A collaborative and open-minded small team
- Prioritizes social justice
- Responsive to world events
- Always learning and evolving
- Supportive and financially stable

“The TBE team is incredibly supportive with one of the healthiest office cultures I have experienced. The congregation is dynamic, open to innovation, engaged and very willing to help with new initiatives. Ann Arbor brilliantly blends academia with an energetic school spirit.” - Rabbi Chelsea Feuchs

A RICH LEARNING ENVIRONMENT

A place to explore, challenge ourselves and grow.

Excellence in education is at the heart of TBE and our Terri A. Ginsburg Religious & Hebrew School. We create learning experiences that inspire our community, from tots to adults, to thrive as Jewish individuals now and in the future. Our programs explore and integrate core Jewish values and embrace education practices that foster deep learning and spark wonder and joy.
