WASHTENONG MEMORIAL PARK

Washtenong Memorial Park & Mausoleum was founded in 1929 and has 65 beautiful acres, located in a country setting a short drive from downtown Ann Arbor.

While the centerpiece of Washtenong is its beautiful mausoleum, the park also features attractive courtyards. Graves are marked with bronze memorials set flush with the ground, and granite monuments.

Quiet. Serene. Reflective.

These words capture the atmosphere and essence of WASHTENONG MEMORIAL PARK & MAUSOLEUM. Whether you choose a mausoleum, traditional burial, or the simplicity of cremation, we are committed to helping you memorialize your loved one in a way that’s important to you.

In addition to traditional ground burial, we offer single and companion lawn crypts and wall crypts, ground property for cremated remains, as well as niches and distinguished family memorials. Whichever option you choose, your loved one deserves to be remembered...by you...by your family...by future generations.
