Second or Third Burial in Same Lot

Optional

Washtonong Cemetery, Rabbi Whinston, and Temple Policy permit multiple interments in one traditional lot as indicated below. This allows spouse, partner and/or family members who wish to be interred together but may differ on interment preferences. Also saves cost and land resources.

Allowed in one lot:
- One traditional full casket burial plus one or two cremated remains
- Up to three cremated remains

Additional Costs for multiple interments:
- Paid directly to cemetery for each subsequent interment (called 2\textsuperscript{nd} or 3\textsuperscript{rd} “Right”).
- Cost: 50% of Cemetery’s current lot cost in Beth Emeth Garden.
- Will require a new “Certificate of Interment” from Washtonong for each subsequent interment if not paid at time of original purchase.
- Opening & closing costs in effect at the time of each subsequent interment also apply.
- Contact the Washtonong office for questions on multiple interments.
