FRS Covid Policy Updated 30/9/2021

We will continue to adopt a cautious approach in our Covid guidelines to ensure we keep all of our community feeling safe and welcome. This means our guidelines exceed the current government guidelines so please do read the following:

- **Masks** should be worn at all times when inside, unless exempt
- Please be mindful of **social distancing**

If someone in your household has tested positive in the last 10 days, we would kindly ask you not to attend any FRS activities (including services and youth and education activities) in person until the isolation period has passed.

Some other points:

- **Hand sanitisers:** stations with hand sanitizer will be available at various locations around the building.
- **Cleaning:** we will continue to carry out regular and thorough cleaning of all rooms, surfaces and equipment.
- **If you don't feel well:** please stay at home if you are feeling unwell. The symptoms for Covid can be found on the NHS website, however the list is changing and evolving all the time so please do exercise caution.
- **If you contract Covid after you visit:** please will you let the office know as soon as possible.
