JOIN A CHAVURAH

Chavurah, from the Hebrew word Chaver meaning friend, is a small group of friends! Each Chavurah is unique and sets their own activities and goals- whether it is a small group of families joining together for the High Holidays, a group interested in traveling, or group focused on food! Groups are informal and consist of families, couples or individuals. Chavurot are a wonderful way to connect with fellow Temple members and build wonderful, life long friendships.

Just fill out an application or call the Temple at 858.451.1200 and the Chavurah Committee will be in touch to find a group with similar interests and help you connect!
