

Joining Sisterhood is an instant way to meet the wonderful women of Temple Adat Shalom. Build lifetime friendships and quickly learn how to make Temple Adat Shalom your second home!

Become a member of Sisterhood today and participate in an exhilarating and vibrant organization of members working together to promote Jewish values at Temple Adat Shalom and throughout our community. We accomplish this with great Sisterhood programming, supporting local nonprofits such as Interfaith Community Services (who works to improve the lives of the homeless) as well as fundraising for disaster victims.

Furthermore, your membership dues enable us underwrite vital projects at TAS, to provide financial support to Mosad Shalom Religious School, the Early Childhood Education Center, and pay for our membership in our umbrella organization, the Women of Reform Judaism (WRJ). The WRJ, representing 65,000 members, advocates for social justice and strengthens the voice of women by promoting women's rights in religious practice and public policy.
