

AJ 2024 CEMETERY PLANTINGS ORDER FORM

Each spring, opportunities are made available for families to participate in cemetery beautification.

- Begonias may be ordered for individual gravesites in the AJ Cemetery.
- Additionally, a tax-deductible donation may be made to help fund Cemetery Beautification which includes items such as communal flower gardens, headstone cleaning, as well as other enhancements which take place throughout the year.

Contributions are very much appreciated, and donors' names will be listed in AJ's newsletter. Please use this form to order begonias and/or to become a Cemetery Beautification Donor. You may also make these arrangements online at: www.adathjeshurun.com/cemeteryplantings.
