

# Confidential Application for AJ Membership Rate Adjustment

**Adath Jeshurun is a congregation that welcomes members regardless of ability to pay full membership rates.** As a congregation, we understand and are sensitive to the fact that members do have financial circumstances that may limit their ability to pay the full amount.

All requests for adjustments are processed promptly and confidentially by the Financial Administrator and the Treasurer. In order to process your request, please complete this application, and return it to the synagogue office using the address on the bottom of page 2. **ALL REQUESTED INFORMATION MUST BE COMPLETED.** Following a review of the information submitted, you will be sent a letter advising the determination of your request. **We appreciate the opportunity to assist you, and are always available for further discussion.**
