SEVEN DECADES OF ISRAELI POPULAR MUSIC

m The Multiple Voices of Urban Hip Hop m

Adath Jeshurun is hosting a free presentation open to the community! The presentation will take place twice:

EVENING: Tuesday, April 24th at 8:00 p.m.

MORNING: Thursday, April 26th at 11:00 a.m.

Dr. Miranda Crowdus will speak about her recent research in South Tel Aviv and her forthcoming book: *Hip Hop in Urban Borderlands: Music-Making, Identity, and Intercultural Dynamics on the Margins of the Jewish State*.

Hip Hop emerged in Israel in the early 1990's, but really took off in the 2000's. In the aftermath of the

Second Palestinian Intifada, Hip Hop began to embody themes of nationalism and intra-Jewish solidarity. Since then, it has branched out into a variety of sub-genres totally different from their American counterparts. Moreover, the individuals and groups that perform it are often divided by conflicting aesthetics, ideologies, positionalities, and national identities. For instance, the 10-piece ensemble System Ali

brings together divergent political views in their lyrics as well as contrasting musical genres, including reggae, klezmer, Hip Hop, pop, rock and classical. Their original lyrics are delivered in a variety of languages (Hebrew, Arabic, English and Russian).

This talk highlights some of the fascinating qualities of this music: its multi-genre musical composition, multi-lingualism, and performances in urban borderlands, as well as its role in negotiating relationships

between Jewish and non-Jewish practitioners in contemporary Israel.

Correctly Reading

"The Weight of Ink" by Rachel Kadish — 2017

"...a game of cat and mouse that plays out across four centuries... Kadish's characters are memorable, and we're treated to a host of them: pious rabbis and ribald actors, socialites and troubled young men, Mossad agents and rule-

worshipping archivists. From Shakespeare's Dark Lady to Spinoza's philosophical heresies, Kadish leaves no stone unturned in this moving historical epic. It is chock-full of rich detail and literary intrique." - Kirkus Review
