

AJ LIVE-STREAMING CONNECTION TIPS & TROUBLE-SHOOTING

Even though we can't safely be together in person this year, we're so glad you are joining us virtually for the High Holy Days!

➔ TIPS FOR A BETTER LIVE-STREAMED BROADCAST

All AJ High Holy Day Services will be live-streamed on YouTube. During virtual High Holy Day services last year, we learned that several people experienced frozen screens while viewing through YouTube. There is a very easy way to reduce the chances of experiencing freezes. **All you have to do is restart your computer or mobile device prior to the start of services EACH DAY.** This step should greatly improve the quality of the live-streamed broadcasts!
