Student preparation

It is our goal to provide your child with a comprehensive understanding of what it means to become a bat mitzvah. This may include, but is not limited to, being able to explain the meaning of her service in English, learning prayers to participate in service and learning to apply Torah lessons to her own life. The bat mitzvah preparation will include any Hebrew reading lessons necessary by Penina Rossman, our JFX Hebrew reading specialist, as well as guidance from both Rabbi Koval and Zelda Nakdimen.
