Temple Beth Israel

Annual Membership Commitment Form

Fiscal Year July 1, 2023 - June 30, 2024

The Temple Beth Israel Finance Committee works each spring to develop a budget for the following fiscal year. This budget was approved by our congregation at our annual meeting on May 23, 2023.

To sustain our facilities, staff, programs, and services in the 2023-2024 year, the TBI budget is approximately \$542,000, or \$2,200 if divided among each household.

This may not be possible for some of us, but please be thoughtful about what you are able to pay. Everyone is expected to pay something. We ask every member to give at a level that is meaningful to them. Our balanced budget is dependent on those who can make an additional contribution doing so.
