

# IT IS TIME TO DONATE IN SUPPORT OF OUR BROTHERS AND SISTERS IN ISRAEL.

For those who wish to continue to support Israeli organizations financially (in addition to all the lovely cards generated by children and people of all ages from Temple Adas Shalom, with lots of candy I sent out last Monday), following many requests, I have found the following organizations to be most popular or trustworthy to send your contributions to:

- **New Israel Fund** is dedicated to building a more secure, more peaceful, and more thriving Israel for tomorrow. <https://www.nif.org/>
- **Achim La'neshek (Brothers and Sisters in Arms)**  
All donations will go towards procuring and distributing supplies to civilians and security personnel in the conflict zones. Their volunteers have created Israel's largest depot of donated goods and are making countless trips, distributing supplies, and, in many cases, extracting civilians.

- **NATAL, Israel's Trauma and Resiliency Center**, is an apolitical, internationally recognized, and awarded non-profit with over 25 years of experience in the fields of resilience building and trauma treatment.

- **Magen David Adom - Israel's Trauma and Resiliency Center**  
Serving All Israelis, All Over Israel, Magen David Adom is there for the people of Israel when medical emergencies arise, no matter where in Israel they live.

- **JNF-USA Aid to Israel**  
JNF-USA is helping in numerous ways, including housing, food, clothing, education, trauma therapy, firefighting equipment, farmer assistance, volunteers to check on elderly and infirm, support for families of the hostages and missing persons, physician needs, and more.
