

Dear Anshei Member,

Please read the following information regarding Rosh Hashana and Yom Kippur seats carefully.

Congregation Anshei Shalom will IY'H be holding yom tov minyanim in the Main Shul, Social Hall, Neitz Minyan, Sephardic Minyan, and the American Legion Hall. We are working hard to have the new construction finished before the chagim, however, we are selling seats in the same locations as last year. If we receive the permits necessary to occupy the new building, the Legion Hall minyan will be relocated to the new social hall, and Neitz minyan will be held in the new beis midrash.

Seats may be purchased for members and relatives in fourth grade or older. The best and easiest way to purchase seats is via our website <https://www.anshei.org/yomtov>. To visit the shul office, please contact [officemanager@anshei.org](mailto:officemanager@anshei.org) to arrange an appointment. Members will be given priority for the same number of seats they purchased in the minyan they attended last year.

The seating committee will work diligently to ensure that members are accommodated to the greatest extent possible. **Please note, the Early Sale of seats is only one week to allow us to accommodate everyone's needs. We urge you to take advantage of the Early Sale.**

Please direct all yom tov seat questions to [seats@anshei.org](mailto:seats@anshei.org). The earlier you bring your question or special circumstances to our attention, the easier it will be for the shul to accommodate your request.

As always, accounts must be in good standing in order to purchase seats. Statements for members with outstanding balances will be sent out next week. An account is considered up to date when all outstanding balances are paid, or special arrangements are made with either the treasurer or the president. Please direct all questions regarding accounts to our treasurer David Zurndorfer at [treasurer@anshei.org](mailto:treasurer@anshei.org). All financial arrangements are kept in strictest confidence.
