

BOOK OF REMEMBRANCE

The New City Jewish Center has always prepared a “Book of Remembrance” which is distributed on Yom Kippur when we say Yizkor. Congregants may include the names of departed loved ones to remember their passing in a meaningful way. The Book contains a compilation of prayers and meditations to recite and give comfort throughout the year, particularly on the occasion of the four Yizkor services held each year. We have again expanded the ways congregants may memorialize departed family members and friends so dear to us, by making available three alternative sizes for inclusion in our Book of Remembrance:

- Single-line memorial, @ \$18 each name
- (tribute to one individual, same as has been available in past years)
- Boxed one-third page memorial, @ \$54 each box
(tribute to couple or single individual with a personalized remembrance line)
- Full page memorial, @ \$100 each page (couple or individual)
(tribute which may include meditation, letter, poem or other expression)

A submission form is provided below. This is also available in the NCJC Office and via the NCJC Newsletter.
