

## Yavne Library Donations Policy

Donations of gently used Judaica books in good condition will be accepted with the understanding that:

- We may not be able to use all book donations, especially titles that duplicate existing holdings;
- We reserve the right to re-sell books at upcoming DN book sales, with proceeds to go towards developing the Library collection, or we may further donate books to an appropriate organization;
- We do not accept fiction titles at this time;
- Material of a religious nature that requires *Genizah* services will be dealt with in a sensitive and appropriate manner.
