

Let your mind play with these questions, be curious!

1. Research **Albert Einstein** on-line, and write down three important facts about him.

a.)

b.)

c.)

2. What did Albert Einstein do in his free time?

3. Ask two adults what they know about Einstein. Compare their answers to what you learned.

First adult:

Second adult:

4. Think about what makes a good question. Write down at least three good questions that you might ask Einstein if you could meet him. (Hint: Think of "how" and "why" questions, rather than questions about facts you already know.)

a.)

b.)

c.)
