## LEARNING RESOURCE TEAM

### PURPOSE

The purpose of the Learning Resource Team is to provide learning opportunities for congregants on justice issues. The learning activities should help congregants increase their understanding of the ongoing work of existing action teams and the congregation-wide initiative. It can highlight specific aspects of the work we are currently engaged in and/or educate congregants on issues we are considering working on in the future.

### RESPONSIBILITIES

- Communicate with the *Tzedek* Council, action teams and the Congregation-Wide Initiative to gather ideas for potential topics.
- Use the information gathered to develop an annual calendar of learning activities.
- Secure speakers and/or panelists for events.
- Develop creative ways to provide the information and increase involvement in *tzedek*.
- Work with facilities professionals to provide logistical support for the activities.
- Work with lead communications professionals to help market these activities.
- Collect evaluations from those in attendance on the activities.
- Incorporate the feedback into upcoming activities.

### COMPOSITION

The Learning Resource Team is composed of at least five members of the congregation. Anyone interested in participating on this team should contact the chair of the *Tzedek* Council.
